Majlis Ansarullah USA, is an auxiliary of the Ahmadiyya Movement in Islam, Inc. USA,

### Sayings of Prophet Muhammad<sup>saw</sup>

### Sayings of Promised Messiah<sup>as</sup>

"If you desire to attain success in both worlds and seek to conquer the hearts of people, then strive to purify yourselves, make use of reason, and follow the guidance given in the Word of God. Reform yourselves and serve as an example for others by demonstrating sublime virtues. Then will you attain success."

My dear respected Ansar brothers

Assalamo Alaikum

Copy of Al-Nahl is in your hands, Alhamdulillah. I want to say JazakAllah to Qaid Publications and his team for their effort to put this issue together. It has captured a fair amount of our history from 2023. The team has tried to present both local, national events as well as departmental activities. I expect members to review the magazine and enjoy the year unfold in front of their eyes.

As we review our past year, we need to ponder over how to strive for improvement? Majlis Ansarullah's goal is to strengthen the system of the Jama'at and guide and coach the future generations to remain loyal and obedient to Khilafat.

To achieve this goal, we must analyze our participation in the system of the Jama'at and our level of loyalty and obedience to Khilafat. We need to be true role models in our ways of worship, acquiring religious knowledge, reading books of the Promised Messiah (peace be on him), listening to and following each and every directive of our beloved Imam (may Allah be his Helper).

Our younger generation should be able to testify that elders of the Jama'at truly give preference to faith over worldly matters.

Let us try to have a positive impact on the lives of our youth. As we go through the year, we can make history which will be recorded in next year's Al-Nahl. Be part of this inspirational history and with the help from Almighty Allah, be instrumental in shaping the future of our Jama'at, InshaAllah

Sincerely

MESSAGE FROM SADR MAJLIS

# Majilis Ansarullah members meet Huzoor in Islamabad

Report published in Al Hakam on 21st December 2023

On 17 December 2023, the national Amila of Ansarullah USA was blessed with the opportunity to meet Hazrat Amirul Momineen, Khalifatul Masih V, may Allah be his Helper, in a mulaqat – in Islamabad, UK.

At the outset of the mulaqat, Huzoor conveyed his salaam and led the Amila in a silent prayer.

In the beginning, a video: “Cycling to Ansar Ijtima 2023: The Journey Guided by Khilafat” was presented. In the video presentation, it was mentioned that this plan was initiated following guidance from Huzoor in a meeting held in 2022, during which Huzoor instructed the Amila to undertake long-distance cycling. Following the presentation, Huzoor enquired

from Naib Sadr Saf-e-daum about the total number of Saf-e-daum Ansarullah.

He reported a total of 2361 and added that this accounted for approximately 55% of the total Majlis. Upon hearing this, Huzoor remarked, “I see. And only eight or nine of them took part in cycling.” Naib Sadr Saf-e-daum further mentioned that their numbers were gradually increasing and highlighted that since Huzoor’s visit, in 2022, there had been a significant surge of interest in cycling.

Suhail Kausar Sahib, Naib Sadr Awwal, reported that he had been serving in this position for almost nine years. Huzoor asked him if he would continue in the same position in the next year’s Amila. To this, Suhail Kausar Sahib replied in the affirmative. He added that there is a “Family Day” for which he prepares the program and presentations. Upon this, Huzoor enquired as to what the “Family Day” entailed. ## Tarbiyat Nau Mobai'in

Tahir Soofi  
Qaid Tarbiyat Nau Mubaeen

By the grace of Allah, Tarbiyat Nau Mubai'in Department of Majlis Ansarullah, USA was blessed with a successful year. Focusing on supporting new converts and fostering brotherhood, Allah blessed us with the following wins:

- 20 new Ansar converts, with 75% accurate contact information
- 9 new converts attended National Ijtima of Majlis Ansarullah, USA
- Average participation of 8 new converts in local Ansar programs
- 2, New Converts' Ijtima'at held in Philadelphia and Los Angeles, with 6 and 9 attendees respectively
- Successful integration of new converts into various programs with assigned responsibilities
- Continued support and inclusion efforts for new converts in local Majalis
- Increased participation at national and regional events year.

One of the primary objectives of the Ta'lim department is to promote among Ansar a deeper understanding of the life of the Promised Messiah (peace be upon him). The Promised Messiah employed various methods to nurture faith within his community, including elucidating Quranic verses, elaborating on ahadith, and recounting short stories imbued with lessons of faith.

In 2023, with Ansar's emphasis on cultivating stronger family ties and fostering better relationships, our focus turned to recently published books featuring short stories and anecdotes recounted by the Promised Messiah (peace be upon him) to his followers. These narratives are drawn from sources such as Malfoozat and various writings of the Promised Messiah.

Syllabus for Ansar 2023: Pleasant Stories and Anecdotes by Promised Messiah (as)

This book predominantly comprises short stories ranging from half a page to a few pages in length. These stories delve into the lives of past prophets, kings/rulers, and saints of the Ummah. Ansar were encouraged to engage in discussions about these stories

with their families at the dining table in their homes. It was hoped that the examples of righteousness depicted in these narratives would inspire Ansar and their households to foster a personal relationship with the Almighty Allah.

In 2023, we conducted only one Ta'lim test, similar to the previous year, with both English and Urdu versions available. The entire test was administered online, allowing Ansar to utilize either a computer or a cell phone. Remarkably, a record-breaking 1,425 Ansar (34%) completed the test this year, marking the highest participation to date.

The Ta'lim department continued its efforts to encourage majalis to organize local book clubs, while the WhatsApp group 'Gems of Knowledge', initiated in 2022, remained active throughout 2023.

During the 2023 Ansar National Ijtemah, highly spirited Ta'lim competitions were conducted, demonstrating Ansar's fervent determination to outshine one another.

Following majalis topped in the Ta'lim

ranking of 2023 securing 100% marks:

- 1. Albany, Safdar Ali Warraich (Za'im)**
- 2. Central Jersey, Masroor Sajid (Za'im)**
- 3. Los Angeles, Fawad Khan (Za'im)**

May Allah bless all the above Majalis and enable everyone to act upon the teachings of Islam.

## 2023 Ansar Chanda Status

This year, by the Grace of Allah, we collected a record \$1.424MM in combined Ansar Chanda, Ijtima Chanda and Publication dues. On top of this, we collected over \$250,000 for the Model Village Fund, a new initiative that was inspired by Majlis Ansarullah USA Amila's mulaqat with Hazrat Khalifatul Masih V (aba) during Huzoor's visit to the USA in September 2022.

As usual, we had a challenge again in December 2023, with nearly 30% of Ansar Chanda left to collect at the beginning of the month. Alhamdulillah, Zoama, Muntazimeen Mal and Regional Nazimeen again rose to the occasion, and we surpassed the needed amount with ease. The number of participants increased by 7% to 2,975.

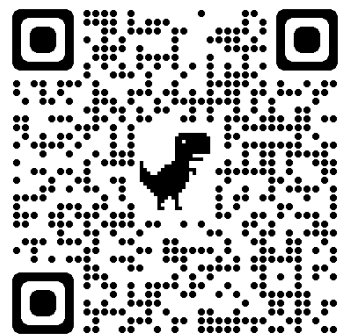

<b>TOTAL COLLECTIONS</b>	<b>\$1,423,773</b>
<b>TOTAL DONORS</b>	<b>2,975</b>
<b>TOTAL CONTRIBUTIONS</b>	<b>\$479</b>
<b>MEDIAN CONTRIBUTIONS</b>	<b>\$210</b>

Prescribed rates of Ansar Chanda are based on take-home pay after taxes and mandatory insurance.

- Membership: 1% of take-home income (minimum \$2/month)
- Ijtima: 1/8th of Membership Chanda (or 0.125% of income; Min \$1/month)
- Publication: \$10 per year

## Chanda Participation vs Tajnid

Here we observe the trend over the past 14 years concerning the number of chanda participants and total tajnid. It is noteworthy that our participation as a percentage of tajnid has risen to 70%, up from 65% in the previous year. However, this figure still falls short of the more than 3,000 Ansar who actively participate in Jama'at chanda, leaving over 1,000 members without the spiritual benefits of engaging in Ansar and Jama'at financial contributions.

Inshallah, we are committed to enhancing our participation statistics in 2024. Our goal is to ensure that more members recognize and embrace the spiritual rewards of contributing to Ansar and Jama'at initiatives. By fostering greater awareness and encouraging active involvement, we aim to strengthen our community's commitment to collective financial sacrifices.

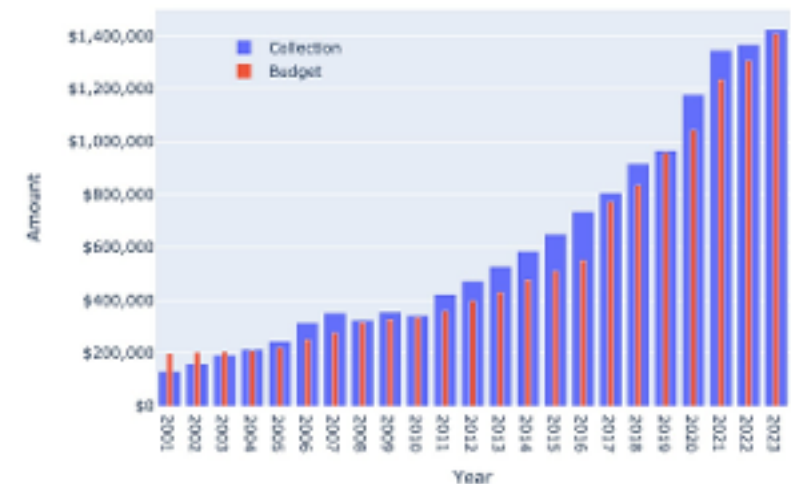

Chanda Participation vs Tajnid

## Budget vs Collection 2001-2023

This comprehensive chart meticulously outlines Jama'at's income budget and the actual amounts collected spanning the last 23 years. It is with immense gratitude that we announce another year of surpassing our projected budget in 2023. Despite this achievement, there was a slight reduction in our surplus this year, totaling \$16,155. This represents the smallest surplus recorded since 2019. Nevertheless, we are deeply appreciative of the ongoing support and contributions from our community, which have been instrumental in sustaining our mission and initiatives.

## 2023 % Participation by Majlis

This year only two Majalis, Albany and Oshkosh reached 100% participation in Ansar chanda, with Central Jersey (99%), Boston (95%), Detroit (95%), Miami (94%), Los Angeles (93%) and Philadelphia (91%) all managing to have more than 90% participation. 8 Majalis had 50% participation or less. Inshallah, all Majalis will continue to “uie with one another in good works” in 2024 and aim to improve the participation rates.

## Donations by Region

This chart shows the median and average donations at the Region level. The median donation is the amount at which there are as many donations above the median as below it. The median gives a better sense of contribution level than the simple average, which can be skewed by individual members who, by the Grace of Allah, have been enabled to make large contributions. This year, the Northwest region had the highest average and median donation levels, followed by Midwest region and Great Lakes region.

## Isha'at (Publications)

Iftikhar Ahmed  
Qaid Publications 

The Isha'at department continues to serve as the communication vehicle for Majlis Ansarullah. Its primary focus is to facilitate communication between the Sadr Majlis, National Amila members, and the broader Majlis membership. Additionally, it helps engage local Ansar in different regions and Majalis by sharing their events, developments, successes, and accomplishments. The department also communicates unfortunate news, such as the demise of our elders and brothers.

In 2023, the Publications Department focused on continuing the bi-weekly Ansar Connection Newsletter, providing an open communication platform for the Majlis. Throughout the year, we released twenty-one issues, covering national and regional events, inspirational stories from members, articles honoring elder members who have passed away, and encouraging events held for Tabligh and Ithar nationwide.

In 2023, Iftikhar Ahmed, Qaid Publications, served as the editor of the Al-Nahl publication, with guidance from Sadr, Mansoor Qureshi Sahib. Naib Qaid Publications, Kamran Mirza Sahib, led the efforts. The team worked diligently and produced excellent issues as planned. Based on feedback from Ansar members, we made some changes, including using professionally taken pictures of Amila, Zoama, and broader events.

The Ansar Connection is emailed to approximately 4,300 Ansar across the US, and a similar number of Al-Nahl magazines are printed and mailed to every household in the US with Ansar members. Feedback from most readers has been positive.

In practice, each Majlis's Zaim and Amla reaches out to Ansar members

one-on-one to ask about their health, family and general well-being. The connection can be made via a phone call, video conference, or in person. There were two Ansar Outreach drives held: the first drive was from January to June while the second one from July to December. With the Grace and Mercy of Allah, the first drive met the goal while the second drive fell short of the goal of 80%. The table at the bottom of the page summarizes the Outreach drives' performance against targets

**The Promised Messiah (may peace be on him) said**

“Allah is very benevolent. The ocean of His benevolence is very deep and it will never deplete. Its seeker and solicitor has never been deprived. So you should get up during nights and beg for His blessing.”.

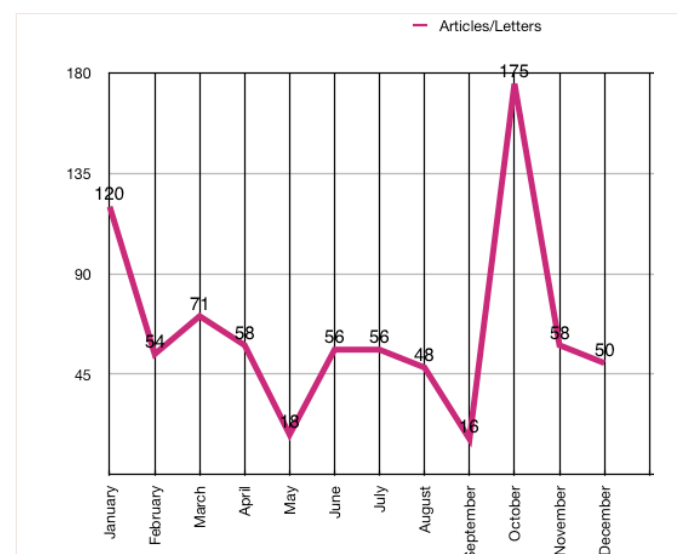

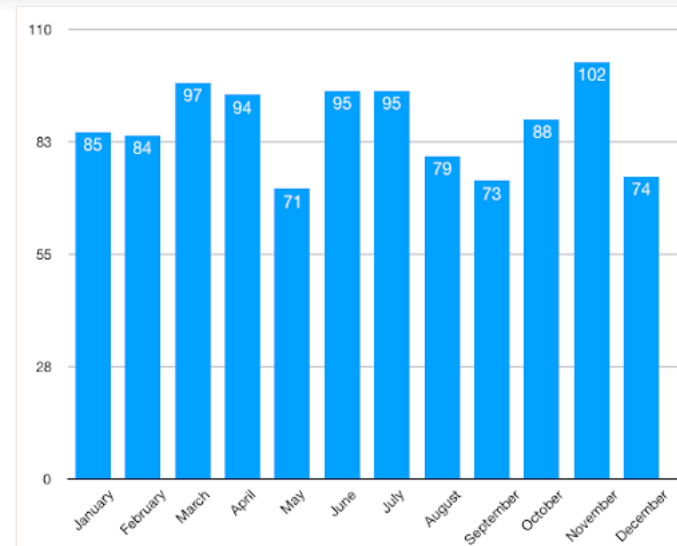

(Ḥadīrat Khalīfatul-Masīḥ V (aba), Sep. 20, 2015)

By the grace of Allah, Ansarullah USA spent **2023** calling people to the way of Allah, Islam and Ahmadiyyat. Two of the goals for the year 2023 for local Majalis were the same; i.e. organizing Tabligh group activities & focusing on 1:1 targeted Tabligh. An additional goal was added that tasked the local Majalis to pick up the pen and defend Islam through their writings. The writings could be to a local newspaper or articles to any Jama’at periodicals.

Based on the reports received during the year, Majlis Ansarullah USA was able to write **750** articles (in 2022 this was 366). MashAllah, Majalis were able to achieve the target of writing articles.

The number of group activities organized around the country were **1014** (892 in 2022). MashaAllah Majalis able to pick this up and organize more activities in 2023.

The emphasis on 1:1 targeted Tabligh activities is based on the belief that Baiats are achieved through consistent & long term relationships with individuals. Thus, Daeen are urged to focus on individual Tabligh & local target has been to have 10% of the membership performing this activity.

### Tehrik-e-Jadid Partcipation by Year

### Ansar Collection per Year

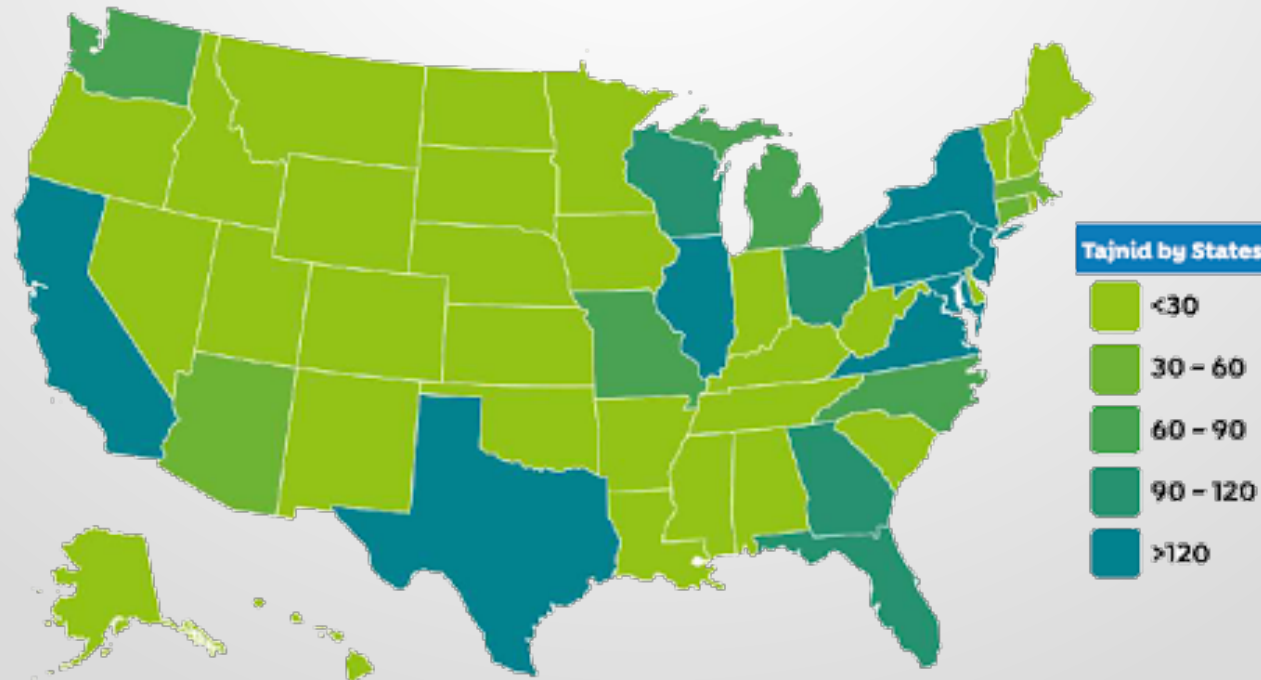

Majlis Ansarullah manages its Tajnid in Amanat, an online Ansar Tajnid & Finance System. In Amanat, each Majlis maintains their own subset of Tajnid.

To keep Ansar Tajnid up to date, we held two national Door-to-Door Tajnid drives in 2023, during which each Majlis reviewed their members' information and updated changes in the Tajnid system (Amanat). We also synchronize Amanat data with the Jama'at Tajnid system on a regular basis. In 2022, Ansar Tajnid received 223 new members who graduated from Khudam.

The Tajnid information is used to communicate with Majlis Ansarullah memberships, such as sharing Ansar Connection, mailing Al-Nahl, and sending Tarbiyat surveys. It is critical for this communication to have accurate Tajnid information of our members. Please assist us in keeping your personal information up to date by reporting any changes in your mailing address, phone number, or email your local Zaim.

The national Amila of Majlis Ansarullah USA had an opportunity to meet with our beloved Hazoor(aba) on Dec 17th, 2023. Addressing Talimul Quran and Waqf-e-Ardhi (TaQWA) department, Hazoor(aba) emphasized on the following:

- Ensuring every member of the Majlis can recite the Holy Quran with proper pronunciation.
- Encouraging participation in the blessed scheme of Waqf-e-Ardhi. Specifically, urging every Amila member, Nazim-e-Ala, and their local Amila members to dedicate at least two weeks to Waqf-e-Ardhi.

In alignment with Hazoor(aba)'s directives, the Majlis has formulated its plan for the year 2024. Collaborating closely with the Jama'at TaQWA department, we are currently offering online Quran classes. To access detailed departmental plan and register for these classes and engage in Waqf-e-Ardhi, kindly visit the website of the TaQWA department: <https://www.ansarusa.org/talimulquran>

And for the sake of fulfilling this most sacred obligation, I shall forever keep my life devoted to the service of Allah the Almighty and His Messengersa. I shall give every possible sacrifice, no matter how heavy its burden, in order for the blessed flag of Islam to be raised aloft in every nation until the end of time”.**

# 40<sup>th</sup> ANSAR NATIONAL IJTIMA 2023

This year, the Ansar Ijtima was attended by 1157 members from all over the US. This was the 40th National Ijtima of the Majlis Ansarullah USA. The theme of the Ijtima was "The best among you is he, who treats his family the best" (hadith).

The members were happy to see each other and spent quality time together during the organized program and break times. Ansar from Maryland Majlis and the adjoining Majalis served the Ijtima attendees with love and kindness, and even though the weather turned wet and cold during the Ijtima, the warmth of brotherhood was felt by all. Alhamdulillah.

The first highlight of the Shura and Ijtima gathering was the Ansarullah cyclists group arrival on Friday morning. Seven members rode their cycles together from Pittsburgh, PA to Silver Spring, MD, a journey of 350 miles. Another four joined midway (180 miles) and the last batch of ten cyclists joined for the last day (16 miles). There were also three support team members (Usama Malik, Fakhar Ahmad, and Dr. Rafi Malik who accompanied the cyclists).

The background of this adventurous activity was that during Huzoor's (aba) trip to USA in October of 2022, beloved Huzoor (aba) graciously met with Ansarullah Amila where

he expressed his desire that Ansar should take up cycling as an exercise. He also suggested that Ansarullah should organize group cycling trips over long distances. Saying Lubbaik to our Khalifa (aba), around last year's Ijtima, twelve Ansar members had cycled from Austin, TX to Houston, TX. This year's cycling journey took them on the picturesque Cumberland trail.

## The best among you is he, who treats his family the best.

As always, the Ijtima program consisted of educational competitions, workshops, faith inspiring accounts, and sports competitions. This year's highlight was Huzoor's (aba) address to Majalis Ansarullah UK, USA, and France. Huzoor (aba) also took a historic pledge from Ansar of these countries and those all over the world.. The education

competitions were very engaging and competitive. The qualifying round were held on Friday night after Maghrib and Isha prayers, and the top contenders competed in the morning session of the Ijtima. Several workshops were held, led by various Ansar members. The interactive workshops allowed members to ask questions, participate in dialog, and learn from the sessions.

## Majlis Ansarullah expressed their gratefulness to outgoing Sadr Majlis Ansarullah, Imran Hayee Sahib, who is finishing his last term as Sadr Majlis.

The sports competitions were held in the afternoon, despite the challenges presented by the rain and cold weather.

## ANSAR ATTENDANCE

# 1157

Nevertheless, we saw some solid sportsmanship and everybody, including the audience enjoyed the competitions.

Majlis Ansarullah expressed their profound gratefulness to outgoing Sadr Majlis Ansarullah, Imran Hayee Sahib, who is completing his final term as Sadr Majlis. Majlis-e-Amila presented a plaque to recognize his exceptional services, along with a bicycle to be delivered to his home. In his Ijtima report, Sadr Sahib highly appreciated the exceptional teamwork and unwavering commitment of all organizers, and extended heartfelt thanks to the members attending the Ijtima, many of whom traveled significant distances to participate.

## ALC EVENT TESTIMONIALS

- ▶ There should be multiple ALCs a year. A day and half is unfortunately not enough for a year long plan especially when Zaim is new. It seemed everything was done in a rush. Not enough time to get to meet each Qaid and address concerns and questions. Transportation team did an excellent job.
- ▶ Very good learning experience and meeting everyone.
- ▶ Really enjoyed being part of this group and had a wonderful time meeting so many friends and making some new one. JazakAllah for giving me this opportunity.
- ▶ I want to thank all the National office holders as well as the members from the Dallas Jama'at for their immense hard work and sacrifices to make this ALC a successful event. May Allah bless all of them for their efforts.
- ▶ The prime program could have produced better results if the group facilitators were trained to keep the group focused on the specific task at hand.
- ▶ Excellent hospitality, May Allah bless all the volunteers and the attendees.
- ▶ Alhamdulillah, was a very good ALC and the place at this time of year was great. JazakAllah Sadr Sahib and National Amila.

*Huzoor said that missionaries and office holders should adopt the habit of covering the faults of others and showing mercy and forgiveness and they should be role models in displaying these traits. They should not become enraged on the pettiest of matters and develop grudges as a result.*

# FROM FEAR TO AMEER-E-KAFILA

This is the story of how fear gave way to triumph

An article by Naib Sadr Zahid Mian

In October 2022, during an audience with Khalifatul Masih (aba) at Baitur Rahman Mosque, the Amila members of Majlis Ansarullah USA were directed to embark on a long-distance cycling journey. Huzoor (aba) specifically mentioned a journey from Pittsburgh, Pennsylvania, to Silver Spring, Maryland, spanning nearly 350 miles. Inspired by Huzoor's (aba) directive, a group of us decided to take the first step towards this goal by cycling from Austin to Houston to kickoff our upcoming National Ijtima, covering a distance of 140 miles. Despite dealing with colder-than-usual weather and rain, completing this journey gave us the confidence to undertake the Pittsburgh ride.

A few months later, I was fortunate to participate in a cycling ride from Aachen, Germany, to Islamabad, England for Jalsa Salana UK. This was a great experience and the international bonds of brotherhood that were formed will always be the highlight of this trip despite the fact that we experienced cold, rainy weather that resulted in some injuries.

Upon my return from England, we began to

focus on the Pittsburgh to Bait-ur-Rahman ride to Majlis Ansarullah Ijtima. Having experienced the ride in Texas and Europe, I was asked to be the Ameer-e-Kafila of this group by then Sadr Majlis Ansarullah USA Imran Hayee. Initially excited, I became increasingly skeptical about its success as the day of the ride came closer. Pittsburgh in October is generally cold, with short days and challenging routes.

Mostly I was concerned about my brothers that such a group of inexperienced cyclists could face a lot of challenges on a week long journey. I thought to myself, statistically, at least one day would be disastrous! I shared all my concerns with Sadr Sahib, suggesting that we either reduce the miles or move the trip to summer to mitigate weather challenges. Sadr Sahib, ever so convinced of the need to follow Huzoor's (aba) instructions, reminded me that Huzoor (aba) himself had recommended this journey, and we must move forward without fear.

Despite numerous challenges, including uncertainty of bike rentals, terrain suitability, support car issues, and accommodation

concerns, we persisted in moving forward. A few days before the journey, the weather forecast predicted light precipitation during the first two days of our trip, confirming the worst of my fears. However, there was no turning back. We offered Sadqa and looked forward to this momentous journey.

On October 2, 2023 we started our journey from the Pittsburgh Mosque. Despite encountering minor problems, such as a broken bicycle at the start of the journey, and facing light precipitation and crashes along the way, we were undeterred. I communicated regularly with Sadr Sahib and shared the details of our trip. His response was always, "Don't worry; we're all praying for you. Huzoor's prayers are with you." This gave us the confidence to persevere.

The ride itself was memorable. Despite never having cycled together, all of us jelled immediately and helped each other whenever any of us needed a boost. One of our brothers even made "dood-pati chai" (Pakistani tea) for us on one of the breaks. We had dinner by the river, and we even shared our food with strangers. We went through a dark and cold tunnel that felt more like a cave. We cycled across the Eastern Continental Divide. We offered congregational salat. We were wearing our "Muslims for Peace" shirts and several people asked us about our message and wished us well.

There were a few accidents. Almost everyone crashed at least once, but in one case it was quite serious that resulted in visible bruises to the face. Once we arrived at our hotel for the night, I informed Sadr Sahib about the accident. He immediately wrote to Huzoor (aba) for prayers and by the next day a reply was received with prayers for the cyclists. Huzoor (aba) even asked about the

injuries and prayed for the well being of everyone.

After nearly 350 miles, we reached Baitur Rahman in Silver Spring on the morning of October 6. It was an incredible journey, made even more special by the knowledge that we had undertaken it under the guidance of Huzoor (aba). When I saw Sadr Sahib, I thanked him for his persistence, realizing that our fear had indeed given way to triumph. This journey taught me that with the right intentions, fear can be conquered.

# WASIYYAT

مَنْ ذَا الَّذِي يُقْرِضُ اللَّهَ قَرْضًا حَسَنًا فَيُضِعِّفَهُ لَهُ أَصْعَافًا كَثِيرَةً وَاللَّهُ يَقْبِضُ وَيَبْصُطُ وَإِلَيْهِ تُرْجَعُونَ

**Who is it that will lend Allah a goodly loan that He may multiply it for him manifold? And Allah receives and enlarges, and to Him shall you be made to return.**

(Al-Baqarah 2:246)

Abu Hurairah, God be pleased with him, narrates that a person inquired of the Holy Prophet, peace and blessings of Allah be upon him, "O Messenger of Allah, which act of charity has the greatest reward?" The Messenger of Allah answered, "That you give charity when you are in good health, when you yourself stand in need, and when you are afraid of poverty and desire to become wealthy-if, even then, you are not neglectful. Not that you tarry until your life is ebbing out, and then you say this much for him and that much for him." (Mishkat)

"God did not only say that this graveyard is *Bahishti*, but also said *أَنْزَلَ فِيهَا كُلَّ رَحْمَةٍ* that is, every kind of blessing has been sent down upon this graveyard and there is no blessing which is not shared by those who are buried in this graveyard"

- *The Promised Messiah (peace be upon him) Risala Al-Wasiyyat*

"My wish is that members in every Jama'at of every country of the world as are earning and Chanda paying, at least 50% of them enroll in this grand System established by Hadhrat Aqdas Masih-e-Maoud (as)."

- *Hadhrat Khalifatul Masih V (aba), Jalsa Salana UK 2004*

In 2022 we had Shura proposal to plan out and start an initiative to increase wasiyyat membership. This was approved by Huzoor(aba) and we have started to take various steps to educate and be more resourceful for our Ansar brothers. Please use the QR code on the right for additional information.

MAJLIS ANSARULLAH USA

Dear Ansar Members,

Assalam-o-Alaikum wa Rehmmtulla Wa barakatohu

I hope and pray that this message finds you in the best of health and spirit.

I wanted to take a moment to update you regarding the renewed Wasiyyat plan Majlis Ansarullah has put in place this year.

In 2004, Huzoor(aba) wished that 50% of Chanda paying members would join the system of Wasiyyat. Over 30% of USA Ansar have honored Huzoor's(aba) wish and are currently in the system of Wasiyyat. Thank you to all the current Moosies for stepping forward on Huzoor's(aba) call and join this system.

As you can see, we still have the need to add 20% new Moosies to fulfill Huzoor's (aba) wish. For this reason, the 2022 Shura pushed forward an approved plan with key steps to increase our Wasiyyat membership. Some highlights of this plan are below:

1. Create a dedicated Wasiyyat webpage on Ansarusa.org for reference material.
2. Have local Wasiyyat Ambassadors to answer members' questions.
3. Create and post a Wasiyyat poster in each Majlis.
4. Frequently share Wasiyyat data with local Zu'ama to update Majaalis.
5. Provide resources to address FAQs and guidance on how to fill out the wasiyyat application.

We have actively worked and delivered on these steps.

At the bottom of next page you will find a QR code that will take you to our dedicated Wasiyyat page on ansarusa.org. On this page, you will find all needed information that's mentioned above as well.

All of this information is now available so you can make an educated decision about joining the system of Wasiyyat. However, I will add that at some point you will need to make this decision on faith. There is no FAQ that can explain a return on this dedication and investment. That still remains with you and your relationship with Allah.

May Allah help us fulfill Huzoor's (aba) wish and live up the Promised Messiah's (as) expectations

Wasslaam,

## Quote from His Holiness Hazrat Mirza Masroor Ahmad(aba)

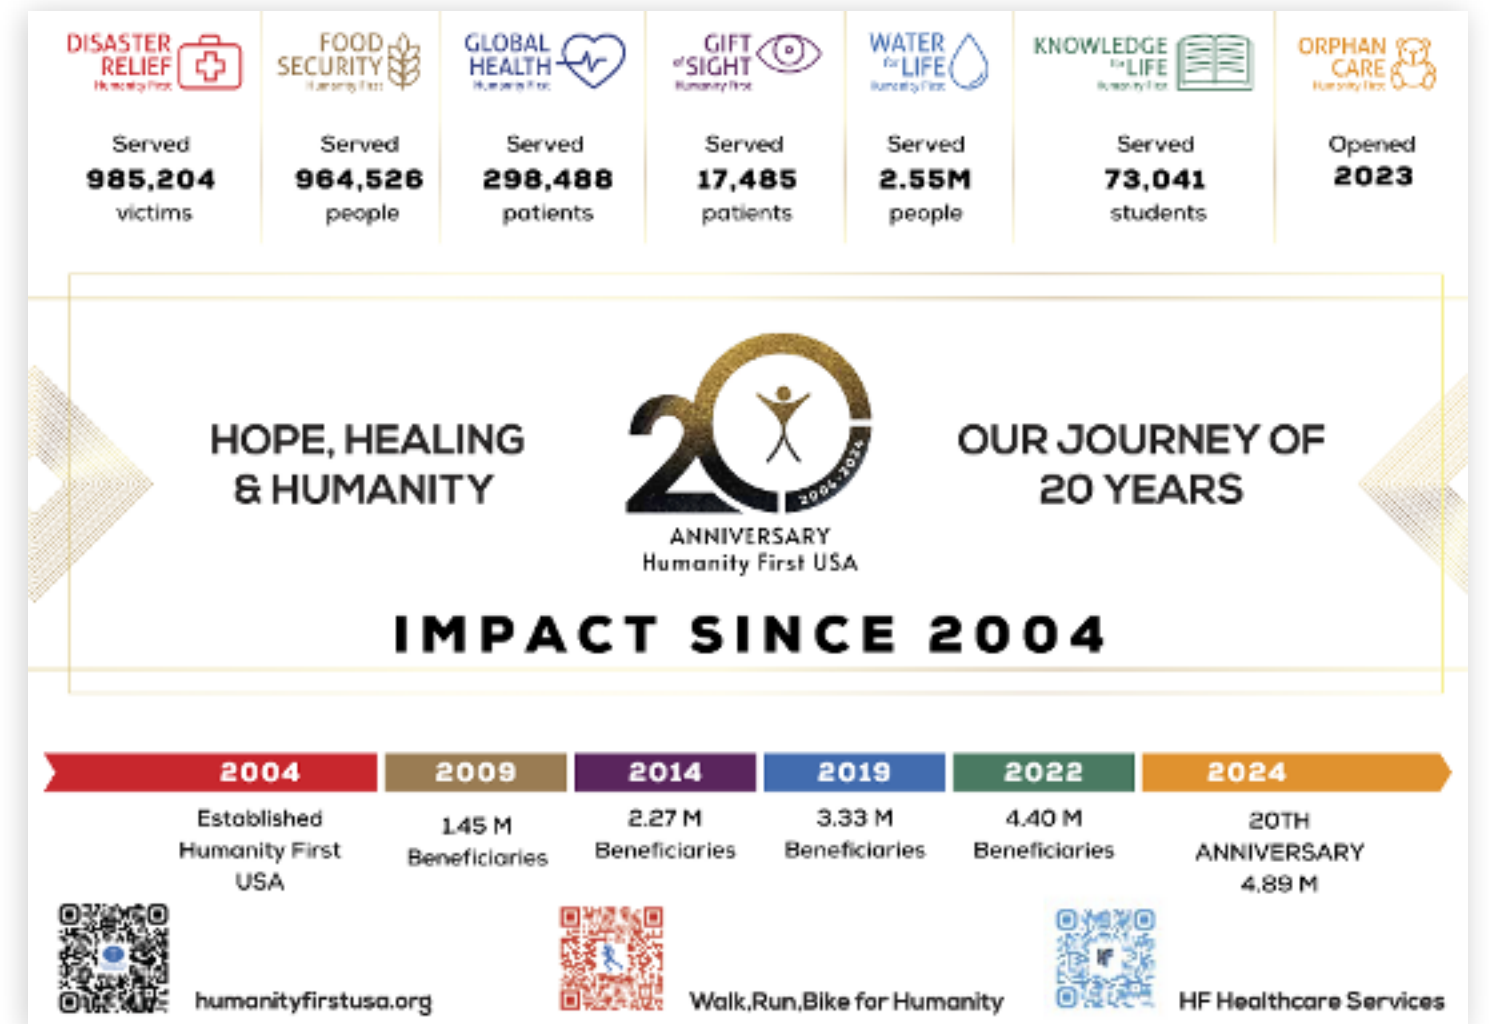

“The name Ansarullah has been given to you after much thought and reflection. The age of a person from 15 to 40 is one of youth and hope and so the organisation for that age group is named ‘Khuddamul Ahmadiyya’ (Servants of Ahmadiyyat) so that they may spend as much time as possible in the service of humanity. The organisation for those aged 40 and above has been titled ‘Ansarullah’. At this age, a person has the benefit of experience, is well established in his works and attains a level of seniority at his work and reaches a stage where he is able to spend his wealth in the service of Allah more than before.”

## Reading Al-Hakam

Hadrat Khafi fatul-Masih ﷺ (may Allah be his helper) has expressed his desire that Ansar regularly read Al-Hakam — Jama'at's very first newspaper that started in the lifetime of the Promised Messiah (may peace be on him) and now launched again. Let us all say Labbaik to our Imam's desire by start reading Al-Hakam on a regular basis to stay informed and be the recipients of Allah's blessings by responding to the call of Khalifatul-Masih .

### ALLAH SAYS IN HOLY QURAN

And thy Lord has inspired the bee, saying, 'Make thou houses in the hills and in the trees and in the trellises which they build. 'Then eat of every kind of fruit, and follow the ways of thy Lord that have been made easy for thee.' There comes forth from their bellies a drink of varying hues. Therein is cure for men. Surely, in that is a Sign for a people who reflect. -CHAPTER 14:69-70
