# Not Equal: Sitting at home vs. striving in His cause

Majlis Ansarullah USA 2017

# Top priority

- *“The meaning of Khilafat is that as soon as the Khalifa of the time says something, all other schemes, proposals and plans are discarded; and it is kept firmly in mind that only that scheme, proposal and plan is useful which has been instituted by the Khalifa. Until the Jama’at is filled with this spirit, all khutbas are useless, all schemes are deceptive and all plans are doomed to failure.”*

# Are we sitting on Huzoor's instructions?

*[4:96] Those of the believers who sit still...and those who strive in the cause of Allah with their wealth and their persons, are not equal. Allah has exalted in rank those who strive with their wealth and their persons above those who sit still.*
