

## The Glory of the Holy Qur'an

Message from Sadr Ansarullah, USA

Dear Ansar: السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ

The Promised Messiah عَلَيْهِ السَّلَام has said: "The Holy Qur'an is so glorious that none other can excel it in its glory. It is *Hakam*, the one whose judgment is ultimate; it is *Muhaimin*, the Protector. Therein is found every argument which one may require. It is this Book which has scattered in defeat the very core of the enemy's might. A Book which covers everything in depth and contains the news of what was and what is to be. Falsehood cannot attack it not from the front nor from the rear. It is the very light of Almighty Allah" (*Roohani Khazain*, Vol. 16: *Khutba Ilhamiya*, p. 103).

He also wrote: "Let it be known that the most outstanding miracle of the Holy Qur'an is that boundless sea of deep wisdom—those solid facts, those avenues of Qur'anic knowledge so rich in philosophy—which we can manifestly present to all nations and peoples of every language, be they Indians, Persians, Europeans or Americans,

whichever country they belong to. The Qur'anic miracle is capable of rendering them defenseless, speechless, and totally disarmed. The meanings of the Holy Qur'an are unfolded as demand is created according to the changing times and stand guard like well-armed soldiers against the insinuations and aspersions cast in every age. Had the Qur'an been limited in extent regarding that which it comprises of solid facts and subtle realities it could not have been deemed as that perfect miracle" (*Roohani Khazain*, Vol. 3: *Izala-e-Auham*, Pt 1, p. 255)

May Allah enable all of us to implement the teachings given in the Holy Qur'an in our lives so that we can attain nearness to Almighty Allah, *Ameen*.

وَالسَّلَامُ

#### Qa'id Zahanat and Seht-e-Jismani

The snow has finally melted. Birds are chirping outside. We now have an extra hour of sunlight. Health articles are up on our website. Many of these articles talk about physical exercise. Let's put on our sneakers and go out into the woods. Let's fill our lungs with fresh air and thank Allah for our good health. Our goal is to get at least 30% of ansar to be active this year. Please motivate yourself and all others around you to get out and exercise.
