## Message from Sadr Ansarullah, USA

Dear Ansar: *السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ*

*makes mention of them to those around Him.” (Sahih Muslim).*

As the summer months approach so do the local, regional and the National Ijtema'at<sup>1</sup>. Participation and making each and every Ijtema a success, whether it is local, regional, or national Ijtema, is every nasir's responsibility. These ijtema'at offer opportunity for every member to learn about true Islam. These gatherings provide a forum for the earnest but friendly competitions while creating a brotherly relationship with members from other Majalis<sup>2</sup>.

The Promised Messiah (peace be on him) has stated about keeping company with the truthful and said: *'The word Insan (human being) is actually derived from Unsan i.e. the collection of two affections. One affection of man is for God and the other is for human beings. Since a human being is closer to him and he finds him very near to himself and moreover he is his own species, he is very much influenced by him – and very quickly too. That is why the company of a perfect and righteous person grants man the Light which makes him see God and he is thus saved from sin.'* (Malfoozat Vol 3, p.6 cited in "So Said the Promised Messiah" p.117).

Most importantly attendance in the Ijtema provides an opportunity to spend time in the company of righteous. The Holy Qur'an has stated the benefits of keeping righteous company and the dangers of being in the company of those who have gone astray. The Holy Qur'an says: *"And keep thyself attached to those who call on their Lord morning and evening, seeking His pleasure; and let not thy eyes pass beyond them, seeking the adornment of the life of the world; and obey not him whose heart We have made heedless of Our remembrance and who follows his evil inclinations, and his case exceeds all bounds."* (Chapter: 18, Verse: 29).

We have two options: 1)- We could choose to associate with those who Allah dislikes and in turn ruin our own physical and spiritual beings or 2)- we can make friends with the righteous and as a result increase our own knowledge and love for Allah to the extent that we may be the recipient of His Divine favors. It is interesting to note that the two types of people can never mix as the vast wisdom of the Holy Qur'an states: *"And the blind and the seeing are not alike, nor the darkness and light, nor the shade and heat, nor alike are the living and the dead. Surely, Allah causes him to hear whom He pleases; and thou canst not make those to hear who are in the graves."* (Chapter: 35, Verses: 20-24)

Hadrat Abu Hurairah (may Allah be pleased with him) relates that the Holy Prophet (peace and blessings of Allah be on him) said: *"When a company foregathers for the remembrance of Allah its members are surrounded by angels and are covered by mercy and comfort descends upon them and Allah*

## Sadr's message continued...

If we do not take heed of such a simple instruction, we will not only lose out on partaking of the blessings that Almighty Allah, the Most Merciful, rains upon us but chances of going astray will increase.

I urge all Ansar to take part in each and every Ijtema as these gatherings provide opportunity to be in the company of the righteous. May Allah enable us all to do so, *Ameen*.

## Ansarullah Hall Fund

In 1998, Hazrat Khalifatul Masih IV (May Allah have mercy on him) had approved a proposal, made by Majlis-e-Shura of Majlis Ansarullah, USA, to build Ansarullah Hall adjacent to Baitur Rehman Mosque. Some funds have been collected since the inception of this scheme. Total funds to be collected for this hall are \$500,000. Recently Dr. Ahsanullah Zafar, Ameer Jama'at USA, asked Majlis Ansarullah to raise \$500,000 for ongoing expansion of Baitur Rehman Mosque. Ansarullah Hall is part of this expansion. Therefore, Sadr Majlis Ansarullah, Dr. Wajeeh Bajwa, is requesting each and every member of Majlis Ansarullah to step forward and contribute generously. Members who have already contributed towards Ansarullah Hall are also encouraged to donate again for this cause. Members are urged to contribute generously towards Ansarullah Hall Fund as soon as possible. The payment should be sent to Qa'id Finance, Kalim Rana, directly or through za'eem Majlis. Jazakomullah.

## Homeopathy Medicine for Swine Flu

It is very unfortunate that swine Flu is spreading all over the world. We should especially pray for the safety of all Ahmadis all over the world and the whole humanity at large. We should seek Allah's protection through continuous and repeated *taubah* (repentance) and *istighfar* (seeking forgiveness) to offset the effects of our omissions and weaknesses.

Hadrat Khalifatul-Masih IV (may Allah have mercy on him) had mentioned that if any epidemic spreads anywhere in the world, we should take Arnica 1000 and Aconitum 1000 mixed once a day for three days and then once a week as a preventive measure. May Almighty Allah keep all of us in His protection. *Ameen*.
