## Message from Sadr Ansārullāh, USA

Dear Ansār: *السَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللَّهِ وَبَرَكَاتُهُ*

Peace in this world is fast disappearing and has caused each sane and sensible person to worry. Almighty Allah tells us in the Holy Qur'ān that peace will only come about with justice and benevolence.

'O ye who believe! Be steadfast in the cause of Allah, bearing witness in equity; and let not a people's enmity incite you to act otherwise than with justice. Be always just, that is nearer to righteousness. And fear Allah, Surely Allah is aware of what you do.' (Chapter: 5, Verse:9)

The Promised Messiah (peace be on him) explained the meaning of this verse as follows: "Allah the Almighty says about justice that it cannot be achieved without truthfulness, that your enmity towards enemy nations should not hinder you from dispensing justice. Remain just, because righteousness lies in it. Now you know that those nations that unjustly harm and hurt and cause bloodshed, chase and murder women and children, like the non-believers of Makkah, and do not desist from waging wars, how difficult it is to deal with such people. But the Holy Qur'ān has not taken away the rights of even such mortal enemies

and has enjoined justice and truthfulness. I say to you in truth that it is easy to deal with an enemy with hostility; but it is very difficult to safeguard the rights of opponents and to deal justly with your enemy.

So, this is the way to establish peace. Do justice! And if you want to establish real peace, then not only do justice, but the strong should treat the weak with equity and treat them in the same manner as one treats one's dear and beloved ones and ignores some of their defaults. Every problem cannot be solved with force, but good and just treatment fosters a feeling of bonding and trust. The urge for real peace comes from the heart and the voice that comes from the heart is the only one that establishes real peace because it is based on love and warmth."

May Almighty Allah enable us to bring about real peace that Promised Messiah (peace be on him) wishes us to bring to this world, Āmīn.

وَالسَّلَامُ

## Importance of Making Will

Many people put off making a will; but if someone passes away without having a will, his assets may be distributed according to the law rather than his wishes. It is prudent to make a will to protect one's family. Ansār are encouraged to make will in order to save their loved ones from disputes and unpleasant situations.
