Message from Ṣadr Majlis Anṣārullāh, USA

My Dear Brothers,

As-Salāmu ‘Alaiyun Wa Raḥmatullāh

We prioritize everything in life. So in order to develop Majlis Anṣārullāh, USA’s priorities for the year 2014, I went to seek Ḥudrāt Khalifatul Masīh V’s (may Allāh be his helper) directives. Based on Ḥudrūr’s comments during our January 5th, 2014 meeting, the Majlis has delineated the following priority focus areas for 2014.

1. Strengthening Families

Ḥudrūr asked me to make the Qur’ānic injunction, “O ye who believe! save yourselves and your families from a Fire” (The Holy Qur’ān, 66 [Al-Tahrīm]:7) as the theme of the year. Our monthly meeting topics will be identifying those cultural fires from which we should protect ourselves; and our workshops and Ijtimā’āt will educate members on ways to protect our families from these fires by means of impromptu speeches and workshops.

2. Providing Service

Ḥudrūr reiterated that our slogan should be “We are the helpers of Allāh.” In order to “live” this slogan, Majlis Anṣārullāh, USA will be launching programs to provide various services such as medical services to members who do not have health insurance, scholarships for students, jobs for immigrants, copies of the Holy Qur’ān for preachers, parenting tips for the families, and the like.

3. Communication

Ḥudrūr asked us to rely on shorter, more effective communication. Thus, we will be launching a biweekly e-newsletter, revamping the website design, and strengthening our in-person communication by making the monthly meeting topics more relevant and interactive. Many of you have already sent us very positive feedback regarding these interventions.

4. National Ijtimā’

Based on the recommendations of Majlis Shūrā of Majlis Anṣārullāh, USA in recent years, our goal is to inspire over 1,000 Anṣār members to attend National Ijtimā’ 2014. At the Anṣār Leadership Conference—held on January 18-19, 2014 in Dallas—we held an open session to identify the barriers which preclude members from attending National Ijtimā’. Rest assured, we will try and remove as many of those barriers as Allāh allows us to.

A day prior to my meeting, during the Friday sermon on January 3rd, 2014, Ḥudrūr reminded us to serve the Jamā’at with humility, hard work, and prayers. It is time for us to get to work now. You do not need to be an office holder to support us in implementing these priorities. I request you to read them carefully and let us know which specific areas inspire you to say, “I am the helper of Allāh.”

Was-Salām,

Faheem Younus Qureshi
