Launching "Our Roots" initiative by Majlis Ansarullah USA

By: Iftikhar Ahmed (Qaid Publications, Majlis Ansarullah USA)

Majlis Ansarullah USA is Mashallah growing and there are many Ansar who are now in their senior years. Of course, there are younger Ansar also who are graduating from Majlis Khuddamul Ahmadiyya to Ansarullah. This initiative is being launched to celebrate our elders, and learn from their life experiences, their relationship with Jama'at and Khilafat.

Since many of our older Ansar may not be as visible and active participants in Majlis programs due to their health, transportation challenges and such, we want to encourage our relatively younger Ansar to reach out to them respectfully, engage and build relationships, and with their permission, write down and share their stories with us.

Please see the webpage (<https://ansarusa.org/elders>) with more information and some FAQs about this initiative. We look forward to receiving their stories and accounts (250-500 words maximum, along with a headshot of the elder nasir). We plan to include them in Ansar Connection newsletter, Ansarullah website, and / or our annual Al-Nahl print publication.

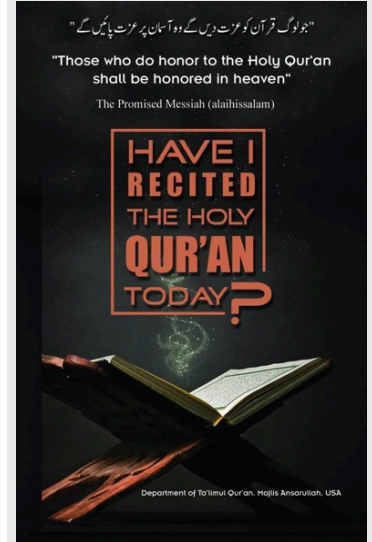

Sadr Majlis visits New York region

By: Mahmood A Bhutta (Nazim-e-Ala NY region, Majlis Ansarullah USA)

A historical visit took place on March 1-3, 2024, when respected Sadr Majlis Ansarullah USA (Mansoor Qureshi Sahib) visited the New York metro region. Alhamdulillah, it was a very fruitful and spiritual uplifting tour for the entire NY region. The presence of Sadr Sahib energizes members to do more Jama'at work and get more involved with Khilafat.

Sadr Sahib reached NY on Friday (03/01/24) night and the next morning he took part in an international virtual meeting along with National Secretary Tabligh at Bait uz Zafar Mosque. During the meeting break he joined khuddam local Ijtimaa in Queens for some time. It shows his love and care for the other auxiliaries in the jamaat.

On Saturday (03/02/24) evening Sadr Sahib visited Long Island Majlis. The weather was stormy and rainy, but despite all that Sadr Sahib reached Long Island on time and spent few hours with local members and answered their questions. The audience noted that Sadr Sahib was very interested about the blessed scheme of Wasiyyat. He also answered questions about Zakat. Members were pleased with Sadr Sahib's wisdom and thoughts. Mashallah a good number of Long Island members attended the event, for which the credit goes to Zaim sahib Long Island for arranging an extraordinary event.

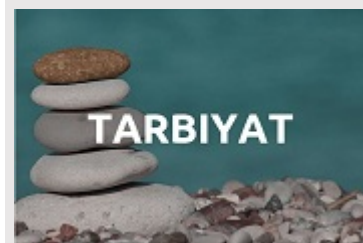

The next day, Sunday (03/03/24), was very busy. In the morning, he attended a meeting with Queens NY Majlis Amila and followed by a general meeting with general membership of this Majlis. Mashallah this was another successful meeting. Sadr Sahib talked about the services that Majlis provides and brotherhood among members. A good number of members attended the meeting and took part in Q/A session. Members were happy to meet and greet Sadr Sahib. Soon after finished the meeting Sadr Sahib had to rush to Brooklyn Majlis. Jazakallah to Zaim sahib Queens and his team for excellent arrangement.

Sadr Sahib was the first among all Sadran who visited Brooklyn Majlis and also first Sadr to visit all 3 Majalis in one trip. Members of Brooklyn Majlis were thrilled to have Sadr Sahib be with them. They listened to Sadr Sahib's inspiring speech. Sadr Sahib also shared what Ansar members have to offer to the Majlis. A good number of members attended the meeting. Members of Brooklyn felt uplifted by the visit of Sadr Sahib, and inshallah it will bring them closer to the Majlis and Khilafat.

May Allah bless Sadr Sahib USA, and grant him good health and ability to serve the Majlis in the best way possible (Ameen).

Send us your stories of brotherhood, Ijtima memories, or any other inspiring experience that we can share with Ansar brothers via this e-newsletter.
