Foreword

Dear Ansār Officers

The purpose of this handbook is to offer guidelines for implementation of Majlis Ansārullāh’s plan for the coming year which is carefully developed by each Qā’id for his department. I am confident that all Zu’amā will do their best to ensure that each plan presented in this handbook is fully executed and implemented. The Ansār membership will undoubtedly also do its part by cooperating with these efforts. I hope and pray that each of us will continue to make our utmost effort to unite in mutual co-operation and to gain maximum benefit from this plan.

Each of us faces difficulties in our lives even as each of us struggles to better our spiritual self. Nevertheless we cannot deny that we are still the most fortunate of people. We are unified in the immense gratitude we all feel for being blessed with the teachings of Islam Ahmadiyyat in our lives. As territorial strife and economic turmoil continue to overshadow the condition of our world today, let us focus on our unity of purpose and our gratitude, on all that we can do to uphold these and never take them for granted. We belong to the generation who has seen the most changes in the attitude of others towards our faith. The surest way to ensure that our efforts bear fruit for our younger generations is by exemplifying the true meaning of gratitude with every step we take, by maintaining our unity within the living teachings of Islam Ahmadiyyat.

The Promised Messiah (peace be on him) writes:

“What I say is not an occasion for surprise; rather, it is an occasion for rendering thanks to God. It is an occasion for renewing faith; certainty of faith, that is to say, God Almighty through sheer Grace and Mercy, has fulfilled...you must render thanks to God. You must prostrate again and again in gratitude to Him. This is the time your fathers waited to see but it did not come. Generations went by and it did not come. It has come for you. It is for you to be grateful.....”
(Victory of Islam (January 1973 edition), Page 3)

Gratitude can unlock the fullness of life; it transforms whatever we have into enough, more than enough. It can turn denial into acceptance, chaos into order, and confusion into clarity. It can turn a meal into a feast, a house to a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and provides us a vision for tomorrow.

I am grateful to all who have dedicated time and attention to provide the tools contained in this handbook. It is my hope and my prayer that they will help us to better comprehend our unity of purpose, which in turn will highlight the importance for us to show deep gratitude to Almighty Allah in allowing us to be Ahmadi Muslims, Āmīn.

On May 2, 1908, 24 days before he passed away, the Promised Messiah, peace be on him said,

“Until God does not open the doors of the heart of a person, no one can do anything. Only God opens the doors of hearts. When God wishes well for a person, he raises an advisor in his heart. When good days dawn on a person, and God desires man’s reformation and advancement, God raises an advisor in man’s heart. Unless an advisor arises in man’s heart, outside counsel has no effect. But this is God’s work. Our work is only to convey the matter. “On the Messenger lies only the conveying of the Message…” [5:100]. Change is in the hands of God. We want to have the matter conveyed from our side so that we may not be questioned that why we did not convey the matter adequately. That is why we have conveyed verbally and have completed this job in writing as well. It would be rare that one may say that our message has not reached him or our claim has not reached him.” (Al-Hakam, Vol. 12, No. 39, 18 June 1908)

One hundred and three years after him, it is now our responsibility to convey his message to everyone so that no one may say that his message has not reached him or his claim has not reached him.

While some fear the end of the world in 2012, some mock, and the rest are bewildered or indifferent, we expect to see continuous spread of the Ahmadiyya Community in the world.

Additional Tabligh Information

Inviting non-Ahmadis to Jum ‘ah and other events: There are many Muslims in the US who seldom visit a mosque or are not affiliated with a mosque or a sect particularly or are looking for a better or alternative place to find peace for their soul due to their dissatisfaction with their present situation. Many of such Muslims will find a haven for their souls at the Ahmadiyya Muslim mosque or center if they attend our Friday services and other events.

Placing books in libraries: There is a collections department or person in every library system who decides which books they place on the shelves of their libraries. Please deliver the books to this person and request them that they return those books back to you that they decide not to include in their collection and not place on the shelves. Some libraries do not return the books to you after they have been donated to them. Some libraries throw away the books they do not select to place on the shelves while others may try to sell them in their book sales. Please ask for a receipt for the donation of the books.

Informational exhibitions and displays in the mosque or the mission house: You will need to work with the Jam‘at officers in this respect. Visual displays are very helpful in disbursing information. These displays can be pictures, video or audio. Some Jam‘ats already have exhibit halls. These halls make a good place to hold Tabligh meetings. The participants can browse around these halls before and after Tabligh meetings. Please work with the Jam‘at officers if they need help in improving and/or in upkeeping these exhibits. Some Jam‘ats do not have such halls but they do have empty walls or rooms which can be used for this purpose. Work with Jam‘at to provide and avail additional opportunities for visual and audio/video displays. Please contact Qa‘id Tabligh in case you need help.

Generation and maintenance of contact lists: Usually in our events for nonmembers there are more members than nonmembers. It will help if we have regularly maintained phone, email and mailing lists. The lists could play a pivotal part in in inviting nonmembers to our events and activities to show a significant attendance by nonmembers at events for nonmembers. These lists can also be used for important announcements or the distribution of important material, such as Friday sermons or other information. Please provide sign-up sheets at nonmember events which request phone, email and mail contact info and then add the new information to the existing lists.

Establishment of interfaith groups: The Ahmadiyya community has been holding Religious Founders’ Days for decades. An extension to this event is interfaith discussions. Please look at the possibilities of making interfaith groups with main religious organizations in the area so that each organization takes turns in organizing and hosting meetings. These meeting can be held quarterly, bi-monthly or monthly as feasible.

Seminars at universities and colleges: Apart from arranging class visits and lectures, members who work in a college or a university can establish a regular weekly seminar during a semester held when the school is in session. The seminar can be established in coordination with another group such as the religion or philosophy department professors. Potentially there can be 12 seminars in a semester. A different speaker with a diverse topic can be invited to each seminar.
Media monitoring: Wrong and misleading information the print or audio/video media needs to be responded to bring the correct picture of Islām to the public. It is advisable to have responses prepared with the guidance from the regional missionary and the local Jamā’at officers.

How to Use Mosques and Centers for Tabligh

Make sure to coordinate your activities and efforts with Jamā’at officials

Every Ahmadi is looking for ideas to spread the truth of Islām among the American masses. We are using many means to accomplish this task. One of the tools available to us is our mosques. Here are some ideas, to promote our identity and our message, which can be implemented universally in all our Jamā’ats where we have mosques or centers.

Sign for the Mosque or the Center: Every mosque or center should have its name outside in a size which is easily readable from the street. The sign should also identify the function of the building, such as the Ahmadiyya Muslim Mosque, or the Ahmadiyya Muslim Community Center. If the building does not look like a mosque, a passer by cannot understand just by reading its Arabic name that it is a mosque. It also should be clearly mentioned as relating to the Ahmadiyya Muslim Community to have people recognize and identify the Ahmadiyya Muslim Community as a unique, separate and different entity among Muslims. Make sure that city guidelines are followed.

Large Banner or Display Outside to Attract Attention: A banner displaying a slogan, different every month if possible, can be used to catch the attention of the passers-by. One slogan which has been found to be very popular among the American masses is “Love for all, hatred for none.” If a different slogan is chosen, it should be brief, to the point, and easy to remember.

Quite Visible Contact Information Outside: Local and/or national contact phone number (1-800-WHY-ISLĀM) and the website address, www.alislam.org, should be displayed in large enough type that people driving by can easily read them. This way a person can call or go on-line for information when they have time. There should not be too much information displayed to remember or to read. Banner and the contact information can be integrated together on the same display.

Schedule of Events: Some of the non-Ahmadis may want to attend some of our functions. A schedule can be displayed outside, as is seen outside churches, for the hours of operation of the center. This schedule should be adhered to establish credibility. This may have the jumu’ah services time and timings for other activities. The schedule should have only those activities listed where non-members are welcome.

Info Box for Schedule and Introductory Brochures: It would be quite beneficial to have an info box outside the gate like those found outside properties on sale these days. These kinds of boxes are quite safe from rain and weather. It should have copies of an informational brochure available in it containing the following information: address, phone number, hours of operation, scheduled events. On the back of this leaflet, it can have a brief introduction to Ahmadiyya. This way people stopping by or passing by can take a copy of the brochure with them if the center is closed or if they do not have much time that instant to come in and inquire, or in case the people inside are busy, as an example, in offering Prayer, etc. This can help a lot especially the areas where there is a considerable foot or auto traffic.

Keep Record of Calls for Follow-up: Every center should have an answering machine with caller ID. To take the full advantage of the answering machine, it is necessary that a permanent log of the incoming phone calls be kept along with a summary of the follow-ups. The telephone log can also be used to invite people at scheduled functions or to renew contacts from time to time. A guest book would help keep records of the contact
information of all visitors who want to leave such information: The guest book should have entries for date, name, phone, and address.

**Take Advantage of the Reading Room/Library:** Many of our centers are small but yet wherever possible we should provide with reading rooms, libraries or at least a book stand or a flyer display.

A library needs to be divided into three sections:
- **a. Books for sale.** These should be locked up and a price list should be made available. This aspect can be used to attract people to the center. Many Muslims have hard time finding adequate literature for themselves or for the training of their children. If it becomes a common knowledge that such books can be obtained from the center, many Muslims may start visiting the center time to time.
- **b. Free literature should be displayed on open shelves with a note, ‘Please take only what you need.’**
- **c. Library books for patron-use in the library:** They should be catalogued and if possible, loaned. Only those books should be loaned which can be replaced if not returned.

**Use the Mosques and Centers Effectively and Efficiently:** The guests coming to our mosques or centers are guests of the Promised Messiah, ‘alaihissalam, and should be provided with appropriate welcome. Mosques and centers should be kept reasonably clean and should pose an inviting posture and atmosphere where people find peace and friendship.

**Bring Friends and Acquaintances to the Mosques and Centers:** Our mosques and centers are quiet and peaceful places away from most modern distractions and so can be used for dialogs and meetings without or much reduced interruption. We can bring our friends or acquaintances just to show them how our places of worship look like from inside, how they are used and for what purposes. We should conduct as much of our activities in our mosques as much as possible and appropriate, as they provide a feeling of being near to Allāh and thus provide us an atmosphere for the best possible dispensation of the heavenly message. Visitors will also note how they differ from their places of worship and make them think of the majesty which the design of a mosque provides as a place of worship.

**Use Muballighs (Missionaries) as a Resource:** Try to schedule your friends and acquaintances to meet the muballighs. They are the most experienced, knowledgeable, and seasoned Ahmadis to make a positive reflection on them. Invite muballighs along when you invite people to your homes.

**Keep Attendance Records to Plan Future Events:** We continuously see reports in the Al-Fazl listing the non-Ahmadis attending the jalsas in different countries and performing bai’ats at the jalsas. The international bai’at is a prime example for us. Many other countries have implemented a system successfully that they count the non-Ahmadis and new converts coming to their centers, jalsas and functions. We need to take the initiative and to make an effort to invite non-Ahmadis to our functions such as the Jalsas, Tarbiyat and Talimul-Qur’an classes and other gatherings. These are very good opportunities to bring people for introduction to ourselves. Ma Sha’ Allāh we have had good attendance at the classes and seminars. We should count the non-Ahmadis and new Ahmadis attending each and every function and then at every next function, we should plan and make a concerted effort to increase the number of non-Ahmadi and new Ahmadi attendees.

**Repeat What Works:** Members come up with good ideas for bringing people in. The need is to try these ideas and then repeat the functions that bring more people in. This also applies to free literature. We should be monitoring which flyers or books are being picked up more and then get more of those kinds of titles.

**We All are in it Together:** We all have to work together, help each other, and support one another to achieve our goals. We have been told of our destiny with support from the historical events of the past and we have been given the keys (prophecies, leadership, methods, and arguments) to our success. It is we who have to use the keys.
Public Access Cable TV (PACT) Tabligh Project

Background
The project is about to disseminate the message of Ahmadiyyat, the true Islām, to the vast majority via the platform of public access cable TV (PACT). Since its inception in 1984, PACT has been used by many organized groups, especially religious, to propagate their message to local communities throughout the USA. Any local resident can use PACT to show a program of their own choice (homegrown or professionally made) using the platform of PACT which is available to all local residents free of cost. PACT empowers residents of local communities to exercise their First Amendment Rights. Usually, one hour time slot per week can be reserved for a regular program and occasionally, more than one one-hour time slots per week are available as well.

What is currently being done?
Some members are currently taking advantage of PACT service to show a weekly one-hour show on various topics on Islām to the community. The most crucial thing to initiate this project is to make the one-hour program DVDs. We have already made about 75 such DVDs on various topics which are either recorded from MTA (mostly addresses of Khulafa) or the video recordings of various Jamā’at functions e.g., interfaith symposiums, etc.

What we plan to do?
This activity can be taken to all communities where Ahmadi members are present. This way, the message of Ahmadiyyat, the true Islām, will potentially reach a large number of viewers, consequently, maximizing the chances that somebody will be able to actually view a program. One person from each local community is requested to initiate the process in his community/city which will take a total of about half an hour to an hour of his time and the result will be an ongoing reward from Allāh, In Sha’Allāh.

How to initiate the Process?
The process is fairly simple. Following three steps are needed.

1. Find out the local PACT TV address or phone number: You need to locate the address or phone number of the local PACT TV center in your community. It is mostly at the offices of your city hall. You can look at the city page on the internet. Sometimes the whole process can be accomplished through internet. You can also look in the white pages or give a call to the city hall who can give the contact number and address of the local PACT center to you.

2. Contact the local PACT center: Follow the instruction on the internet if available. Otherwise you either call or visit the local PACT center. After introducing yourself, you can request that you are interested in showing a one-hour weekly show on local PACT TV channel. If asked about the show, you can tell that the show is about religion or Islām. You can ask for a prime time slot (6-9 PM), however, sometimes, there are more than one time slots available, you can request that you want your show to be repeated as many times as possible during the whole week in addition to one or more guaranteed time slots. Also please ask how many potential viewers could have access to this PACT channel(s) – this varies from community to community and is needed for reporting purposes.

3. Do the Paper Work: You might be asked to fill out a simple form. Other than your contact information, the most important thing on the form will be the title of the program. Please write the title of the program “Islām in Focus.” The reason is that we want to use the same DVDs all over the country which are made under this title. All of the DVDs will have the same contact information (www.alislam.org, info@alislam.org, and 1-800-WHY-ISLAM if allowed). Also you may ask if it is ok to show local contact information. Usually, they do so for a non-profit organization. If so, you may request to advertise the contact info as well as the timings of the show. You may have to fill out another simple form for that purpose.

Process is almost complete!
Now the process is almost complete. All what you have to do is to deliver the DVDs to the local PACT center. Some may require you to deliver weekly and some may take a few DVDs from you so that you may not have to go to the local center every week. The DVDs will be provided to you by the Tablīgh Department.

Let us pray from Allāh, the Almighty, for the success of this project beyond our imaginations and certainly beyond our efforts. If you need any more information or have a question, please do not hesitate to ask.
Frequently Asked Questions About PACT

1. **What is PACT (Public Access Cable TV)?**
   In 1984 Congress created public, educational, and governmental (PEG) access cable television. Perhaps the most daring of these three is public access cable television (PACT), which gives local residents skills, resources, and access to their local cable network. With the passage of more than two decades and with hundreds of PACT centers operating throughout the US, one can recognize a PACT sector with established rules and practices. Public-access television in the United States is a form of citizen media, similar to Canada's community channels, Australia's community television and other models of media created by private citizens.

2. **Who can use PACT TV to show a program?**
   PACT TV empowers residents of a community to exercise their first amendment right. All residents of a local community can show a non-commercial program on PACT TV channel as long as it is not indecent. For further details, please read [http://www.venturacountystar.com/news/2007/may/24/up-close-and-local/](http://www.venturacountystar.com/news/2007/may/24/up-close-and-local/).

3. **How much does PACT show cost?**
   The cost of showing a show via PACT is free.

4. **How much time will I have to spend on initiating this process?**
   The time is really minimal – may be half and hour to one hour depending upon how much you would like to talk to the person in charge of the PACT center.

5. **Where will I get the DVDs from to provide the PACT center?**
   You can obtain the DVDs from Qā’id Tablīgh.

6. **What about if they have an objection on running a PACT Shows on Islām?**
   Nobody can object on the basis of religion. As a matter of fact, a lot of religious organizations use this platform for propagation of their religious beliefs. Unless the program is indecent or has some commercial value, it can not be stopped to be shown on PACT TV.

7. **Who are potential viewers of PACT TV?**
   PACT can be seen by all basic cable subscribers. So potentially, all of the cable viewers could watch a PACT TV show. Please note only cable viewers can watch PACT shows, not the satellite dish subscribers. For example, in Duluth MN, there are 28,000 potential viewers of PACT TV. Although, PACT TV shows are not advertised on the cable channel guide but while channel surfing, viewers can stop at an interesting show. Also, with the word of mouth, email, mail or an ad, PACT TV shows can be advertised. Besides there are some people, who regularly watch for the new programs coming on PACT TV channels. For more information, please read [http://www.jp3.gatech.edu/research/muni_comm/Klein_Article_for_CMR.pdf](http://www.jp3.gatech.edu/research/muni_comm/Klein_Article_for_CMR.pdf).

8. **How long are the time slots which are available on PACT TV for public shows?**
   Usually, they prefer to give you a one-hour time slot per week. You are supposed to prepare a 1-hour video so that they can play without editing. Sometimes, more than one one-hour time slots are available per week in which one hour video can be repeated for maximum outreach.

9. **How PACT TV can be used for Tablīgh purpose?**
   In 2011, Ahmadiyya Muslim programs were broadcasted in 18 communities from coast to coast. Majlis Ansārullāh has prepared and will provide DVDs for broadcasting. DVDs can be customised to meet the local needs.

10. **Is it really effective in the presence of internet platforms, e.g., youtube, etc?**
    Internet videos are certainly a good idea and PACT shows will be complementary to that effort and will only increase the potential number of people whom the message of Islām can reach. There are still a large number of potential viewers who do not use the internet and watch conventional TV. Chanda (Dues) Guidelines

Ansār Chanda

All earning members must pay Ansār Chanda. Those who are retired should be encouraged to pay a few dollars every month to partake in blessings of financial sacrifice. Hazrat Khalifatul Masih V has said that any member who does not pay Ansār Chanda cannot hold an office in Majlis Ansārullāh. In addition Huzur said that "It is mandatory for the office bearers of the Jamaat to pay their contribution both towards the relevant organization (Majlis Ansārullāh or Khuddāmul Ahmadiyya) and also give the obligatory Jamaati Chandas" – Hazrat Khalifatul Masih V (Letter to Sadr Majlis Ansārullāh, USA dated June 24, 2009).

Prescribed rates for Ansār Chanda are:

- Ansār Chanda: 1% of take home income
- _IDENTIFY THE PROPER SPACING AND FORMATTING FOR THE EXAMPLES."
- Publication Chanda: $10 per year

Chanda payment and collection

- Chanda should be paid in fixed installments on the 1st of every month or in lump sum during first half of the year.
- The Za‘īm and the local ‘Āmila should set an example by paying their Chanda early.
- Muntazim should try to collect 100% of annual Chanda (“Income budget”) before September 30th (except from those who pay in monthly installments).
- Muntazim should remind Ansār to pay their Chanda
  - By announcing at meetings and Friday Prayer.
  - By speaking to individuals privately, or by phone and E-mail.
  - In some cases it may be necessary to send letters by mail or pay personal visits. These may be undertaken after consulting with Za‘īm.
- Muntazim must be respectful and avoid asking in presence of others.
- A receipt must be issued for all collections within one week (preferably immediately).
- Every month, Za‘īm/Muntazim Māl should contact every member (who has not fully paid). Za‘īm/Muntazim Māl should include the results of his contacts in the monthly Finance Report. For example: letters sent out, phone calls made and possibly in person meetings held. (Recommended by 2010 Shura)

Remittance to the Headquaraters (HQ)

- Chanda received should be sent to Headquarters promptly (within 7 days following the end of the month they are collected), either deposited in Ansār’s National Account (using a pre-printed Deposit Voucher) or sent by mail to Qā’id Finance.
- Remember to stamp the back of each check using rubber stamp for your majlis before depositing or mailing the check.
- A monthly finance report should also be sent at the same time using standard Excel template. If unable to use the standard template, include following details from each receipt:
  - Receipt Number
  - Member code
  - Full name
  - Chanda paid (it is not necessary to show each category separately (i.e. Membership, Ijtima‘ and Publication))
Voluntary donations such as Water Wells and Ansārullāh Hall must be identified separately.

- If Chanda is deposited into the Ansār account in Bank of America then monthly report should be E-mailed to finance@ansarusa.org promptly. In addition Muntazim should:
  - Print copy of monthly report for local records
  - Attach green copy of each receipt issued
  - Attach voided receipts
  - Staple above items and store locally; and deliver to Qā’id Finance at National Ijtimā‘ (in October) or ALC (in January).

- If Chanda is being sent by mail, then also send below items with report:
  - Green copy of each receipt issued.
  - Voided receipts (if any), both white and green copy.
  - Check(s) for total amount collected (do not send cash and do not staple).

**Expense Guidelines**

**Expenses:**

- All expenses must be:
  - Necessary, reasonable,
  - Within approved budget,
  - Authorized by majority of local ‘Āmila during a regular meeting where at least half of ‘Āmila members are present, and
  - Submitted for reimbursement before December 15 or within 90 days of incurring the expense (whichever is earlier)

- Za‘īm can authorize up to $100 in urgent expenses, but details must be presented to local ‘Āmila for approval within one month.

- If expenditure will exceed approved budget, then Za‘īm is required to obtain approval from Sadr Majlis before incurring the expense.

- Expenses for Jamā‘at events should be funded through the Jamā‘at finance system. However, refreshments served at Ansār meetings can be considered for reimbursement provided they are within approved budget or prior approval from Sadr Majlis is obtained.

- For routine hospitality expenses to be considered for reimbursement, refreshments or meals must be served in the mosque. Restaurant expenses require pre-approval from Sadr Majlis.

**Reimbursement:**

- Reimbursement requests should be submitted to Qā’id Finance through Muntazim Māl or Za‘īm.
- Describe details of expenses on Expense Voucher (for example in case of hospitality, include purpose of the meeting and total number of members served).
- Include following documents with each request:
  - Original receipts pasted on the back of voucher (use additional sheets if needed).
  - Copy of relevant portion from minutes of local ‘Āmila meeting when the budgeted expense was approved.
- If requesting on web, scanned copy of original is acceptable (keep the originals in local Majlis records for two years from date of reimbursement).
- If submitting by mail, voucher must be signed by authorized approver (Za‘īm for local Majlis, Nazim for regional, and National ‘Āmila member for national expenses).
- Special rules for Ijtimā‘ travel will be published in July issue of the Ansār Newsletter and on the website ([www.ansarusa.org](http://www.ansarusa.org)).
- Reimbursement checks should be cashed as soon as possible, preferably within 30 days of receipt.
Additional Finance Related Items:

1. **Budgets:**
   - Income and Expense budgets for current year are prepared and approved by Majlis Shūrā of the previous year. A copy of approved budget can be obtained from Qā'id Finance.
   - Both Income and Expense budgets for next year should be sent to Qā'id Finance before the end of July so they can be reviewed by ‘Āmila and included in the national budget for subsequent discussion at Shūrā. Any Majlis which fails to submit budgets on time may forfeit their right to reimbursement of expenses.
   - **Income Budget** should be based on real income of members and should include all earning and non-earning members.
   - Income budget should show Ansār Chandas separately for each category (Membership, Ijtimā‘, and Publication) but collection only needs to show total of these three Chandas.
   - Names of retired members with no income should be recorded with $0 for Ansār and Ijtimā‘ Chandas, and $10 for Publication Chanda. These members should be encouraged to pay at least a few dollars to reap blessings of the financial sacrifice.

2. **Local Bank Accounts:**
   In order to reduce expenses and to improve transparency, all majalis within driving distance of a branch of Bank of America have closed local Ansār bank accounts. Any majlis that still maintains local account should close it when a bank of America branch is opened nearby.

3. **Documentation for Audit:** See Audit section for list of documents needed for audit.

4. **Inventory of non-consumable property:** Keep proper documentation of Majlis’s assets. List of all items over $100 should be maintained.

5. **Finance Related Forms:** All Zoama are encouraged to use electronic forms and templates which are available at [www.ansarusa.org/content/finance](http://www.ansarusa.org/content/finance)

**Guidelines for the education of the Holy Qur’ān**

Members should adopt and maintain the habit of reciting the Holy Qur’ān everyday on their own for at least 10 minutes, preferably after Fajr prayer. However, members who are unable to recite after offering Fajr prayer should be encouraged to do so at any other convenient time.

**Holy Qur’ān Class:**

- A Qur’ān class must be established in all Majālis either at the Majlis or Halqa level. The class may be held daily between Maghrib and Isha, or on the weekends at a time convenient to most members. In the event the above two options are not feasible then the class should be held at least once a month.

- Request help from the local missionary where one is available. If a missionary is not available then another learned Nāsir can be appointed. This member should be proficient in the recitation of the Holy Qur’ān and should conduct the class on a daily or weekly basis. If local class cannot be held due to distance, members should endeavor to attend Internet based Qur’ān classes available through [http://www.ansarusa.org](http://www.ansarusa.org)

- The presiding teacher should first read the Arabic text designated for a particular session followed by the English translation. The attendees should then be asked to read a few verses. The presiding teacher should not correct the mistakes repeatedly as it may cause embarrassment to the reader, rather the teacher should make a note of all mistakes and at the end of the session, should go over the mistakes without naming any names.

- The duration of the class should be no more than 30-60 minutes depending on the size of the class. Each attendee must be given equal time to complete his recitation. However, members should not be forced to participate in this activity.

- All members should be proficient in the recitation of the Holy Qur’ān with proper understanding of the rules of Tajweed (pronunciation).

- At the beginning of each class instructor should recite the Arabic text followed by translation for the benefit of all present.

**Plan and Track progress:**

- Prepare a list of members who need to study Yassarnal Qur’ān. Make necessary arrangements to teach them. Maintain a record of their progress.

- Prepare a list of members who need to learn how to read the Arabic text of the Holy Qur’ān and make necessary arrangements to teach them. Maintain record of their progress.

Moral Training Guidelines

Adopting Best Practices to Inculcate Islāmic Culture in Families

Tarbiyat is an ongoing process and requires constant effort by parents to ensure that Ahmadi families understand and adhere to the Islāmic culture. Ansār should become role models for their families and strive to lead by example. Ansār are urged to adopt best practices to inculcate Islāmic Culture in their families that include but not limited to the following.

- Pray for your family on a regular basis.
- Inculcate the habit of praying in self and family.
- Emphasize that Allāh is the Provider of everything.
- Do introspection – Am I doing what I am asking my family to do? (Leading by example).
- Make the following the essential part of the daily routine.
  - Daily prayers (preferably in congregation)
  - Recitation of the Holy Qur’ān
  - Dars/reading commentary of the Holy Qur’ān
  - Reading Jamā’at’s literature
  - Watching MTA
- Strive to do the following with the family.
  - Listening and discussing Huzur’s (may Allāh be his support) Friday Sermon
  - Writing to Huzur (may Allāh be his support) for prayer
  - Striving to attend Jamā’at’s programs and activities
- Communicate with children on moral and other issues – listen and discuss.
- Eat together (at least one meal daily).
- Express feelings toward children (hug).
- Make sacrifice in terms of time – spend time with family (family day).
- Keep promises and commitments.
- Be patient with the family and show appreciation.
- Ensure that all household members observe proper purdah and strongly discourage any type of mix gatherings as stressed by Hadrat Khalifatul-Masīh V (may Allāh be his support).

Activating Inactive Ansār

Efforts should be made to make personal contacts with each Nāsir of the Majlis. Special efforts should be made to contact those Ansār who are not active in the Majlis. The following guidelines should be used to motivate inactive members:

- Urge local officers to call and visit inactive members and invite them to their houses. A record of this activity should be maintained.
- Urge local officers to find out if any inactive member needs help/guidance regarding his job or any other problem. A record of this activity should be maintained.
- Include cookout and sports activities along with Majlis programs to make them appealing.
- Arrange transport for inactive Ansār to get to Jamā’at events as needed.
- Invite inactive members to every social/Majlis’s function, such as weddings, aqeeqas, etc.; this is up to the host not the Majlis.
- Remind members not to pick on inactive members if they come to Majlis’s function after a long interval; rather they should be welcomed as if they were missed badly.
- Introduce inactive members (individually) to other Jamā’at members at the time of meetings especially at special events such as Eid.
Motivate inactive members to develop personal relationship with Khalîfatul-Masîh by writing letters and personal mulaqāât (meeting) if possible.

Encourage inactive members to watch MTA on regular basis in the company of other active members and friends.

Give inactive members some responsibility in Majlis for their training and so that they become integral part of the system.

Create a friendly and welcoming environment at the mosques/Jamā’at centers. Too many formalities should not be the norm.

Make efforts to bring inactive members to regional and national events so that they can be introduced to a wider circle. This is one of the purposes of Jalsa Salana (annual convention) described by the Promised Messiah (peace be upon him).

Remind all members to speak the local language (English in the U.S.) in both Jamā’at and social meetings where non-Urdu speaking members are present.

**Participation in Congregational Salāt in Mosques**

Ansār should be urged to strive to offer congregational prayers at mosques or local Salāt centers. Following guidelines should be used to achieve better participation in congregational Salāt in mosques.

- Members should be encouraged to live near a Mosque.
- Members should be encouraged to adopt car pooling/buddy system.
- Knowing the fact that everybody cannot and would not be able to come to the Mosque regularly, different halqas (sections) may be persuaded to come to the Mosque by rotation. Picking the Imam for leading the prayers from the same halqa may help in achieving better attendance.
- Each Majlis should make arrangement for offering at least one Tahajjud prayer in congregation every month.
- Emphasis on this subject should be a regular feature in every Āmila meeting of the Majlis.
- Provision for games and discussions on interesting topics should be made at Mosques.
- Members should learn meaning of the prayer. It would certainly add flavor to the Salāt.
- Members should be encouraged to start offering 1 or 2 prayers in congregation (Maghrib and Isha) in Mosques and then gradually increase this number.
- Chart showing the Qur’ānic injunctions, Ahadith, and writings of the Promised Messiah (peace be on him) showing the importance of the congregational prayers should be put up in all Mosques.

Those members who become regular in offering congregational prayers should pray with heartfelt concern for those who are not offering prayers in congregation.

**Strong Affiliation with Khalîfatul-Masîh (may Allâh be his support) and the Jamā’at**

Make efforts to ensure that Ansār develop a strong affiliation with Khalîfatul-Masîh (may Allâh be his support) and the Jamā’at. These efforts should include but not limited to the following:

- Listen to Huzur’s (may Allâh be his support) Friday sermons or at least read the Friday sermon summary.
- Listen to Huzur’s (may Allâh be his support) addresses.
- Write to Huzur (may Allâh be his support) for prayers on a regular basis.
- Regularly attend programs of the Majlis and Jamā’at.
- Strive to attend Friday prayer regularly.
- Regularly watch MTA.
- Attend Ansār national and regional Ijtimā’at (plural of Ijtimā’).

**Moral Training Week**

Hold a Moral Training week in which Ansār should be encouraged to focus on individual Tarbiyat (Moral Training). During this week, Ansār should be urged to:

- Offer every Salāt at its prescribed time.
- Offer at least one Salāt in congregation daily (at home if not at the mosque).
- Recite the Holy Qur’ân daily, read translation and commentary.
- Strive to say Tahajjud prayer throughout the week or at least twice during the week.
• Write a letter to Huzur (may Allah be his support) for prayers.
• Attend Friday prayer at the mosque.
• Strive to do good and refrain from the forbidden.
• Try to give up at least one bad habit and adopt a good one.

**Addressing Rising Problem of Drugs, Alcohol, and Smoking**

Living in a society where the use of drugs, alcohol, and smoking is a prevailing problem we must be cognizant of the problem’s existence among the Jamat’s youth and be aware of the ways we must address this problem. Zu'amat are urged to attempt addressing this problem using the following guidelines.

**Education**

- Educate Ansar and youth about the adverse effects of smoking, drugs, and alcohol (providing religious, scientific, rational, and logical information). Conduct at least two workshops in a year on this topic.
- Educate Ansar about how to communicate with their children, identify early signs of smoking or drug use and take corrective action.
- Publish articles in the Gazette and on alislam.org (with the help of specialists in the Jamat).
- Create awareness of and utilize community resources available e.g. Department of Motor Vehicle initiatives.

**Involvement**

- Be involved with children in their growing years.
- Know their company.
- Engage youth in sports and extra-curricular activities; this will dissuade them from getting involved in such harmful habits.
- Get feedback from children that have been affected so as to understand the trends.
- Have someone from the same age group discuss the issue with them.
- Strive to bring children to the mosque regularly and pray for them.

**Addressing Social Media’s Effects on Youth**

The use of social media is ubiquitous in today’s society. While some benefits can be derived from its use there are many ills associated with it too. Its unscrupulous use by youth can be detrimental and can cause irreversible damage. Zu'amat should strive to educate Ansar and youth about the adverse effects of social media using the following guidelines.

**Education**

- Educate Ansar and youth about risks of using social media, e.g.:
  - Information is potentially permanently retained on the internet.
  - Employers looking at applicants’ Facebook accounts.
  - Irreversible damage may be done to individual’s life.
- Educate youth about not sharing personal information (DOB, address, photos etc.).
- Share actual tragic examples resulted from Facebook, Twitter interactions.
- Educate youth about proper use of time.
- Place computers in common places as opposed to in secluded areas at home.
- Give alternatives to youth to channel their interests in digital media via other avenues (Muslims Times, alislam.org etc.).
- Be vigilant and have access to children’s accounts (e-mail, Twitter, Facebook etc.) to monitor activities.
- Impossible to prevent; distinguish between the ill and the good aspects of social media.
Addressing Social Issues in Majlis

1. **Sensitivity/Diversity Training:** Periodically sensitize members about issues like spoken language, body language, socio-economic/ethnic clustering, etc.

2. **Promote Social Interaction:**
   - **At Majlis Level:** Hold periodic social/recreational/fun events (picnic, sports, healthy entertainment, food, etc.).
   - **At Individual/Family Level:** Appropriately pair up members of diverse backgrounds with trained members and urge them to interact with each other socially (reciprocal phone calls and personal visits at homes, etc.).

3. **Education of Members:** Arrange regular education classes for members of diverse backgrounds to increase their fundamental knowledge of Islām and Ahmadiyyat.

4. **Mentor Members for the Majlis’s (Community) Work:** Engage, recruit, and assign increasing responsibility and visibility to members according to their capability and training - coach and train them for their assigned duties.

5. **Recognize Individual Contributions:** Sincerely and creatively recognize individual members for their services to the Majlis (community). Use meetings to recognize individuals who have done some special work for the Majlis.

6. **Track Progress:** Conduct periodic surveys to measure progress in this sensitive arena and share the findings with Qā’id Moral Training.

7. **Identify and Publicize an Ombudsman System:** Identify and publicize an ombudsman system to address the grievances of individual members.

**Note:** According to Dictionary.com an Ombudsman (om-buds-man) is:
   - A government official who hears and investigates complaints by private citizens against other officials or government agencies.
   - A person who investigates and attempts to resolve complaints and problems, as between employees and an employer or between students and a university.

**Support Material for Holding “From Father to Son” workshop in local Majlis:**
Details and presentation materials for holding this workshop will be provided to Zu’amā.

**Support Material for Holding “Marital Harmony” workshop in local Majlis:**
Details and presentation materials for holding this workshop will be provided to Zu’amā.

The Importance of Nizam-e-Wasiyyat

The Promised Messiah (peace be on him) said:

- ‘And I too feel that those who, having been informed of this Divine program, immediately and without hesitation become anxious to subscribe the tenth part of their property in the way of Allah - nay, they even show greater fervor in the cause of Allah - set a seal [of approval] on their faith.’

- ‘But those who excel in this matter will be accounted among the righteous, and God's blessings will envelope them till eternity.’

- ‘Hence those who, before witnessing the Divine chastisement, shall prove their forsakenness of the world, and also prove how sincerely they obeyed my commandment, are the true Believers in the sight of God, and shall be recorded in His Book as the first and the foremost in spiritual ranks.’

(Risala Al-Wasiyyat, Roohani Khaza’in, Vol 20, P 327-8)

Syedna Hadrat Khalifat-ul-Masih II (may Allah be pleased with him) said:

- ‘Third, is the issue of Wasiyyat. In it, God has placed a very significant objective for us, and by virtue of it has drawn Paradise closer to us. Hence, they whose hearts are otherwise possessed by faith and sincerity but demonstrate tardiness to join Nizam-e-Wasiyyat, I draw their attention to hasten towards it. On account of such lethargies, it is observed that many a devout follower departs this life. Death overtakes them while dillydallying. Heart, then laments regretfully, ‘would that these could also be buried alongside the sincere ones’! Nay, however. At their demise everyone feels that they were sincere, and deserved burial alongside other sincere ones. Nevertheless slight negligence and indifference on their part hinders it.’

- ‘To every possible extent, therefore, friends should do Wasiyyat; and I believe that sure gains are made in Faith by doing Wasiyyat. Whereas it is Almighty Allah’s promise that He will have the Muttaqi (a righteous person) buried in this piece of land, then whoso does Wasiyyat He makes them Muttaqi too!’

**Waqf Jadīd Year**

Waqf Jadīd year begins on January 1 and ends on December 31.
**Waqf Jadīd Scheme**

Founded by Hadrat Khalīfatul-Masīh II (may Allāh be pleased with him) in 1957 for propagation in rural communities in Pakistan. “If our Jamā’at wishes to prosper it will have to extend its preaching activity in every quarter. There is need to amplify considerably our efforts so that our voice may reach every house in every town.” (Al-Fazāl, January 11, 1958)

Hadrat Khalīfatul-Masīh IV (may Allāh have mercy on him) gave Waqf Jadīd an international structure: “The emphasis is on the maximum number of Ahmadīs contributing, according to their means. In this scheme countries compete to see which leads in the total number of participants: children, women, men, the old and the young” (Friday Sermon, December 29, 1989).

Given the present condition that exists in Bangladesh and Pakistan the importance of this blessed scheme cannot be over emphasized. In fact, when Hadrat Khalīfatul-Masīh IV (may Allāh have mercy on him) put emphasis on Tablīgh and the need to convert millions of souls into the Jamā’at, we are all witnesses to what happened. Millions of people were converted and all these souls need proper Islāmic Teachings. The Jamā’at needs to build Mosques for these converts. These are the fruits of Waqf Jadīd and we must prepare for the future.

Health Information

Aging is a natural phenomenon. However, certain aspects of aging are unexpected and not considered normal. Medical science has reached a level of sophistication that it is now possible to prevent these unexpected events. We cannot change certain factors such as our genetic heritage but we can certainly take steps to change risk-factors for life threatening diseases, promote longevity, and enhance overall well-being.

Considering our age group we have to take care of our health and must have medical check-ups on a regular basis. Things to check are blood pressure, fasting blood sugar, and blood cholesterol levels. If there is a family history of heart disease, an EKG may be needed and, if necessary, an exercise stress test. If someone does not have health insurance a local Ahmadī doctor may be able to arrange a free check-up.

Weight Control:
In a recent study, overweight adults need only a small amount of exercise – equivalent to a half hour brisk walking per day - to prevent further weight gain. This is significant, considering the nation’s growing epidemic of obesity. An adult weighing 190 lbs burns 108 calories during 30 minutes of regular walking, 173 calories during brisk walking and 345 calories during running.

Exercise:
We must change our lifestyle to incorporate regular exercise. The weather in most places is fair in spring and summer. Get out into the fresh air and walk. All you need is a pair of good walking shoes and a safe place to walk. The best time is in the morning after Fajr prayers. Late evening may suit others. It sure beats sitting in front of the TV. Get ordinary bathroom weighing scales. Weigh yourself, set your personal goal of weight loss and write it down. Monitor and record your weight weekly.

Start walking slowly and time yourself. Make sure you warm up first and cool down after each exercise period. Listen to your body. Do not overdo it. As you get used to the exercise routine and build up physical endurance, you will begin to feel better. Make adjustments in your weekly work schedule gradually to accommodate time for exercise. Share your progress with other Ansār at monthly Ansār meeting.

Annual Sports Budget:
Funds are available for sports at the local Majlis level. Each Majlis can apply for funds at the rate of $5.00 per Nāsir. That is, if you have 20 Ansār in your Majlis, you will have $100.00 available per year to spend on sports, like volleyball net, table tennis set, horse shoe set, etc. Contact Qā’id Health for release of these funds.

Responsibilities of Muntazim Social Services

This item has been adopted from the Constitution of Majlis Ansārullāh:

147. Muntazim Social Services shall chalk out programs in order to sympathize with Allāh’s creatures, to serve them and to work for their welfare and shall ask all Ansār to act upon these programs.

The Muntazim should:

Initiate and sustain at least one social service activity in his Majlis:

- Assess needs by conducting Local Needs Assessment (LNA).
- Select a specific need(s) that your Majlis will address immediately.
- Develop plans to address selected need.
- Implement plan(s) immediately.
- If feasible, select additional needs to address.

Report all Social Services activities performed during the previous month. Provide a brief description of Ithar activities performed during the month. Each activity reported must provide specific, measurable details to include:

- The number of Ansār involved in that specific Ithar activity
- The number of hours spent on Ithar
- An approximate dollar savings or value of the social service rendered i.e what is an approximate fair market value for this service or activity?
- Evaluate the effectiveness of the implemented plans and make changes as needed.

Important Note:
To motivate and to recognize the efforts of successful programs by Majālis, Qā’id Ithar will award 30 points as a bonus to the majlis that runs an Ithar program that works over 4 - 5 months and brings positive results from the Jamā’at members and the community. The format and the plan that works to bring result should be submitted to Qā’id Ithar. Other Majālis may implement similar plan in their area.

Social Service Guidelines:
Many Majālis have consistently demonstrated outstanding performance in social service work. These Majālis have produced excellent results, inspired local participation, and made a difference for many in need. The following guidelines are by no means comprehensive. Majālis are encouraged to innovate and address needs that are unique to their local communities. Engage local Jama’at members and community contacts to ascertain specific needs of local community. In addition, local Majālis are strongly encouraged to network and collaborate with local agencies and community organizations where appropriate.

Small Majālis must initiate and sustain at least one social service activity and medium/large Majālis must sustain at least two activities. Most Majālis report more than one social service activity. However, general guidelines include but are not limited to the following activities:

Internal Activities:
► Identify Members who need help:
  • Elderly members living alone or limited resources.
  • New converts
  • Members with medical problems without insurance.
  • New families
  • Families needing ongoing financial help.
  • Families needing help with snow, yard work.
  • Visit sick members
  • Members needing transportation.

► Waqar Amal:
  • Cleaning Mosque and Jamā’at properties
  • Mosque and jamaat property Maintainence.

External Activities
► Donate time and or money to a local Soup Kitchen.
► Contact Local community and offer services.
► Participate in Humanity First activities.
► Arrange a soup kitchen (langar) i.e free cooked food once per week or monthly for poor people.

➢ Work with potential volunteers in the Jamā’at and collaborate with upstanding non-muslim, non-Ahmadis to determine which needs can addressed. Take into account what the volunteers are capable of doing this activity consistently.

➢ Develop specific plans that are attainable to address selected needs. Who will do what, when and how? What resources they will need, who will provide them, can we maintain this level of commitment and service? Can we collaborate with a reputable organization that is willing to partner with a local Majālis.

➢ Implement agreed plans in a timely manner.

➢ Document relevant details so that periodic assessment can be made. Report all social service activities performed during previous month. Reports should be accurate, concise, logical, and timely, utilizing standard report forms.
Reports should include; name of program, number of Ansar involved, total number of man-hours, approximate dollar value or savings of service rendered, details of activities, and resources. Include pictures if appropriate.

Every few months evaluate results to see if the programs are serving their objectives. There is no harm in dropping a program or project that is not working. The Majlis may re-channel energy and resources into programs that are more effective in helping the community and achieving objectives.

Please ensure that plans are realistic, measurable and will generate activities which reflect local needs, manpower, and resources.

Each Majlis must initiate and sustain at least one social service activity: Most Majlis report more than one social service activity. However, general guidelines include but are not limited to the following activities:

The following are previous successful social service strategies (do not limit to this list):

1. MTA access assistance
2. Health fairs and screenings
3. Visiting the sick
4. Homeopathic remedy distribution
5. Feeding the poor/Meals on Wheels
6. Clothing distribution
7. Mentoring programs
8. Employment referrals/networking

1. During the proceeding of the Majlis Shūrā sub-committee discussions should be focused on the proposals that are under discussion.

- Give time frame for the completion of the given task, and
- Who is responsible for carrying out these tasks (Za‘îm, Qâ‘id or individual member).
Tabligh Committee Recommendations

**Tabligh Proposal:**
Majlis Ansârullâh should revive the Waqf ‘Ârdi program for various Tabligh projects. Majlis Ansârullâh should provide some financial assistance to members participating in Waqf ‘Ârdi if requested.
(Submitted by National ‘Âmila)

The tabligh sub-committee met at 8 p.m. on Friday, October 7, 2011 in Ansârullah Hall at Baitur Rahman Mosque. The program started with the recitation of the Holy Qur’ân by Nafis ur Rehman and silent prayers led by Suhail Kausar.

It is recognized by the members of the sub-committee that:

1. Waqf ‘Ârdi program has traditionally been carried out under Jamâ’at Ta’lim ul Qur’ân department. “Reviving Waqf ‘Ârdi program by Majlis Ansârullâh may possibly be outside the scope of the Majlis Ansârullâh’s charter.”
2. The intent of the proposal by National ‘Âmila may possibly be to revive the efforts of organizing the “volunteer members of Majlis Ansârullâh” to assist in carrying out various projects and having the ability to provide financial assistance to volunteers with regards to their travel and lodging costs.

Following are the recommendations of the sub-committee:

1. A list of names and background information of volunteers, who can assist with various projects, should be created, maintained and provided to Jamâ’at as needed for various projects by Jamâ’at.

2. An expense item associated with providing some financial assistance to volunteers may be included in the expense budget of Majlis Ansârullâh.

**Tarbiyat Sub-committee Recommendations**

The deliberations of the Tarbiyat sub-committee started with recitation of Holy Qur’ān followed by Dua at 8:15 pm on Friday, October 07, 2011. The meeting ended at 9:45 PM.

**Recommendation for changing the verbiage**

The sub-committee recommends changing the verbiage of the proposal by taking out the restriction of 5 suggestions in both the recommendations (Majority of the members favored this modification).

**Proposal 1 (Revised)**

What measurable steps can be adopted to educate Ansār to deal with the rising problem of drugs, alcohol, and smoking that is affecting our youth due to the influence of the society in which they live. These steps should be such that they help Ansār members in keeping their children away from this behavior.

(Submitted by National ‘Āmilā)

**Recommendations:**

- **Education**
  - Educate Ansār and youth about the adverse effects of smoking, drugs, and alcohol (providing religious, scientific, rational, and logical information). Conduct at least two workshops in a year on this topic.
  - Educate Ansār about how to communicate with their children, identify early signs of smoking or drug use and take corrective action.
  - Publish articles in the Gazette and on alislam.org (with the help of specialists in the Jamā‘at).
  - Create awareness of and utilize community resources available e.g. Department of Motor Vehicle initiatives.

- **Involvement**
  - Be involved with children in their growing years.
  - Know their company.
  - Engage youth in sports and extra-curricular activities; this will dissuade them from getting involved in such harmful habits.
  - Get feedback from children that have been affected so as to understand the trends.
  - Have someone from the same age group discuss the issue with them.
  - Strive to bring children to the mosque regularly and pray for them.
Proposal 2 (Revised)
Hadrat Khalifatul Masîh Al-Khamis (ayyadahullahu ta’ala binasrihil-‘aziz) has drawn members’ attention to the adverse influence of excessive use of social media, especially on our youth. What measureable steps should be taken to educate Ansâr members so that they can understand their obligation and properly educate their children about the adverse influence of social media?
(Submitted by National ʿĀmila)

Recommendations:
• Educate Ansâr and youth about risks of using social media, e.g.:
  o Information is potentially permanently retained on the internet.
  o Employers looking at applicants’ Facebook accounts.
  o Irreversible damage may be done to individual’s life.
• Educate youth about not sharing personal information (DOB, address, photos etc.).
• Share actual tragic examples resulted from Facebook, Twitter interactions.
• Educate youth about proper use of time.
• Place computers in common places as opposed to in secluded areas at home.
• Give alternatives to youth to channel their interests in digital media via other avenues (Muslims Times, alislam.org etc.).
• Be vigilant and have access to children’s accounts (e-mail, Twitter, Facebook etc. to monitor activities.
• Impossible to prevent; distinguish between the ill and the good aspects of social media.

**Ta’līm Sub-committee Recommendations**

**Ta’līm Proposal:**
In spite of making various resources available to members i.e., simplifying the annual test by using only multiple-choice questions, providing Ta’līm material online as well as sending hard copy of the study material to every single member, mailing the test paper to every single member, as well as making the test available online, the participation in the Ta’līm Tests remains between 20 to 25%. What additional steps can be taken to increase participation in the Ta’līm test? (Submitted by National ‘Āmila)

Meeting of Ta’līm sub-committee was held at 8:00 pm at the main Mosque floor. The meeting started with recitation of the Holy Qur’ān by Mian Mohammad Afzal followed by silent prayer. Sixteen committee members out of eighteen attended the meeting.

The Shūrā proposal was presented with its background given by the chair and Qā’id Ta’līm to the sub-committee for discussion. It was explained that the purpose of the Ta’līm syllabus and tests “is to promote and facilitate learning of Islāmic teachings especially in the light of writings of the Promised Messiah (peace be on him).

The committee members agreed that lot of efforts has been made by Qiyadat Ta’līm as listed in the proposal in promoting and encouraging Ansār to study the Holy Qur’ān, Hadith and books of the Promised Messiah (peace be on him). These methods have improved participation gradually over the years. In the last test conducted a few months ago resulted in 32% participation. The committee realized that we need to keep the same pace and was suggested that we should keep on doing the same.

Following steps were suggested by the Ta’līm Sub-committee to be implemented according to the circumstances of each Majlis:

1. Ansār are requested to study at least one page of the prescribed book of the Promised Messiah (peace be on him) in the current syllabus at their convenient time preferably before going to sleep.

2. Introduce “Book Club” via telephone conference at local Majlis level.

3. Regular classes for following the suggested Ta’līm syllabus should held in an organized manner. Topics should be assigned to Ansār well in advance, at least one week prior to the class/meeting.

4. Improve attendance in the classes/meetings by sending reminders by using the following methods regularly:
   a. Phone calls
   b. E-mails
   c. Buddy system
   d. Zu’ama should contact each and every Nāsir who does not submit test on regular basis.
5. Develop audio books with questions and answers covering the Ta'līm Syllabus.

6. Develop small portion of syllabus with questions and answers.

7. Recognize first three positions of Ta'līm test at the local Majlis and recognize them at the local Jamā’at level as well as at regional Ijtimā’.

8. Provide basic computer training to Ansār and encourage them to take test online.

9. Zu’ama may use self-addressed envelope while presenting the test paper to a Nāsir who wants to take test home and promised to submit later.

10. Add practice questions at the end of each chapter.

11. Continue to recognize those Majālis who submit at least 50% tests by the due date.

12. Qiyadat Ta'līm should also prepare Ta'līm test material in the format of PowerPoint and provide training presentations to Zu’ama at ALC.

General Sub-committee Recommendations

General Sub-Committee: Review rates of various Ansār dues and propose one combined rate for Ansār, Ijtimā’ and Publication dues.

Meeting held at Baitur Rahman, Silver Spring, MD
October 7, 2011
Meeting started at 8:40pm and concluded at 9:45pm

Proceedings:
Wajeeh Bajwa, Sadr Majlis Ansārullāh, led silent prayer.

Wajeeh Bajwa, Sadr Majlis Ansārullāh was present at the start of the meeting, and the sub-Committee had opportunity to clarify the background and degree of freedom that the Sub-Committee had to address this proposal. A few key items of clarification included: currently we are only collecting one third of the potential Ansār Chanda; there is no set Chanda rates in the Ansār constitution; Huzur’s (ayyadahullahu ta’ala binasrihil-‘aziz) acceptance of the proposal for discussion is indication that the sub-committee could discuss and make alternative recommendation to current system.

As a result of the Sub-Committee discussions there were four recommendations:

1. There was a majority vote that we should simplify the current Ansār Chanda system of collecting three separate items (Chanda, Ijtimā’, and publication) and only ask for ONE Chanda.

2. The majority vote recommended adopting a straight 1% as the Chanda amount and that the Qā’id Māl should distribute the total payment according to the following percentages: Ansār Dues (80%), Ijtimā’ Dues (14%) and Publication Dues (6%).

3. In recognition that today we only collect one third of potential Ansār collection amount, and selecting a flat 1% collection rate might lead to an initial drop in Ansār Chanda collection, sub-committee recommends that at National and Regional levels there should be regular contact with Zu’ama and local Muntazim Māl to follow up and encourage Chanda collections.

4. Given the importance of Chanda collection sub-committee recommends that there should be special training at National and Regional levels for Muntazimin Mal that teaches them how to increase their effectiveness in getting total Ansār participation at the prescribed rate. It was suggested that every year a few Muntazim Māl should be invited to ALC to learn about the importance of Chanda collection and also learn from others.

The sub-committee closed the session with silent prayers lead by Mirza Irshad Ali.

Finance Sub-committee Recommendations

The sub-committee meeting began with recitation of the Holy Qur'an followed by collective Dua (silent prayers) led by Chairman Khaled Ahmad Ata. Qā’id Māl then presented the proposed budget (both Income and Expense for year 2012) in detail using the budget document that was provided to all Shūrā delegates.

After budget presentation Chairman of the sub-committee allowed members to ask questions, give comments, or suggest proposals on the budget presented.

The Sub-committee recommends that:

1. Effectiveness of Al-Nahl magazine should be re-evaluated in the light of its publication cost.

2. The sub-committee is of the view that Ansār budget preparation (at the local Majlis level) should be done in collaboration with the local Jamā’at Finance Secretary to improve Ansār budget preparation process and consequently collections. Question: Can Ansār Muntazim Māl get member’s income information from the Jamā’at Finance Secretary?

3. To define a procedure how Ansār may request temporary remission in Ansār dues from Sadr Majlis Ansārullāh USA. The sub-committee was of the opinion that such a procedure needs to be more widely publicized.

4. Nazimeen must present their respective regional expense budgets on time.

5. Detailed National Budget (p7 of 2012 budget document) should also show current year’s budget. Note: This change has been made in the attached budget.

6. Ansār, in every Majlis, should be contacted individually by the respective Za’īm and Muntazim Māl, and develop personal relationship with them to improve awareness of financial obligations.

7. The sub-committee reviewed requests by 8 majalis for special projects and recommends that all amounts currently allocated to these special projects (which are listed at the bottom of page 10 of budget document) should be moved to Qā’ideen’s Expense Budget. Note: This change has been made in the attached budget.

Finance budget for year 2012 was unanimously approved by the sub-committee with the above recommendations.

The meeting concluded with Dua led by the Chairman.

Sadr Sahib Majlis Ansarullah Ahmadyya USA
Wajeeb Bajwa

13 November 2011

Dear Sadr Sahib,
Assalamu Alaikum Wa Rehamatulliha Wa Barakahuhu.

I have received your report of Majlis Ansarullah’s Majlis-e-Shura and its recommendations, Jazakallahukhairan Ahsanal Jaza‘a.

In relation to the Tabligh proposal, it is ok to revive the scheme of Waqf-e-Arzi, however there is no need to financially assist those who voluntarily take part in this scheme. The reason for this is that according to the rules of this scheme, those who volunteer their services for Waqf-e-Arzi do so with an understanding that they will bear all costs themselves. Therefore the way that you wish to proceed is not actually Waqf-e-Arzi. If a person who wishes to take part is unable to afford the associated costs, then he can do Waqf-e-Arzi wherever he resides.

‘Taleem-ul-Quran and Waqf-e-Arzi’ is a Jamaat Office in its own right and therefore whatever efforts Majlis Ansarullah makes it should be in accordance with the Jamaat Naam. Thus whichever people you decide to include in the Waqf-e-Arzi scheme you should forward their names in the Taleem-ul-Quran and Waqf-e-Arzi Department.

Those who wish to take part in the Waqf-e-Arzi scheme have the right to notify the Jamaat of their preferences or of how far they are able to travel. Then it is up to the Jamaat’s office of Waqf-e-Arzi to post them based on the applicant’s preferences.

Based on the situation in USA, if for the sake of Tarbiyyat, you wish to send a representative to a remote or far-off town then in such circumstances, Majlis Ansarullah can do so through its Department of Tarbiyyat. However they should not try to mix such a scheme with the Waqf-e-Arzi scheme because that could lead to unpleasantness and will increase confusion.
The Majlis-e-Shura has also recommended that the three Amr chanda rules be combined into one combined chanda rate. This is wrong and so permission for this change is not granted.

The recommendations relating to Parbiyyat and Taleem are all approved.

Your annual budget is also approved.

May Allah continue to bless Majlis Ansarullah Ahmadiyya USA greatly.

13 November 2011

Dear Sadr Sahib,

Assalamo Alaikum Wa Rehmatullahi Wa Barakatuhu,

I have received your report of Majlis Ansarullah’s Majlis-e-Shura and its recommendations, Jazakamullahu Ahsanal Jaza’a.

In relation to the Tabligh proposal, it is ok to revive the scheme of Waqfe-Arzi, however there is no need to financially assist those who voluntarily take part in this scheme. The reason for this is that according to the rules of this scheme, those who volunteer their services for Waqf-e-Arzi do so with an understanding that they will bear all costs themselves. Therefore the way that you wish to proceed is not actually Waqf-e-Arzi. If a person who wishes to take part is unable to afford the associated costs, then he can do Waqf-e-Arzi wherever he resides.

‘Taleem-ul Quran and Waqfe-Ardi’ is a Jamaat Office in its own right and therefore whatever efforts Majlis Ansarullah makes it should be in accordance with the Jamaat Nizâm. Thus whichever people you decide to include in the Waqf-e-Arzi scheme you should forward their names to the Ta’lim-ul-Quran and Waqf-e-Arzi Department.

Those who wish to take part in the Waqfe-Arzi scheme have the right to notify the Jamaat of their preferences or of how far they are able to travel. Then it is up to the Jamaat’s office of Waqfe-Arzi to post them based on the applicant’s preferences.

Based on the situation in USA, if for the sake of Tarbiyyat, you wish to send a representative to a remote or far-off town then in such circumstances, Majlis Ansarullah can do so through its Department of Tarbiyyat. However they should not try to mix such a scheme with Waqfw-Arzi scheme because that could lead to unpleasantness and will increase confusion.

The Majlis-e-Shura has also recommended that the three Ansar chanda dues be combined into one combined chanda rate. This is wrong and so permission for this change is not granted.

The recommendations relating to Tarbiyyat and Taleem are all approved.

Your annul budget is also approved.

May Allah continue to bless Majlis Ansârullah Ahmadiyya USA greatly.

Rules for Conducting Ansār Elections

Elections should be held in accordance with the rules listed on pages 6-8 of the Constitution:

- Every effort should be made to inform each member (both eligible and non-eligible) of the date, time and place of election at least two weeks in advance. If two weeks notification cannot be given then approval from Sadr should be obtained.
- Election meeting should be presided by highest office-holder in Majlis Ansārullāh. Meeting can be chaired by local Jamā’at President even if he is a Khādim.
- Meeting should start with recitation of the Holy Qur’ān followed by Dua (silent prayer) and end by Dua as well.
- Before the start of meeting announce the reason for election, read all relevant rules. Ensure that eligible voters are seated separate from others and their total number recorded.
- Each voter has only one vote except in case of Shūrā delegate election where each member has same number of votes as number of delegates for that Majlis (1 delegate for every 20 dues paying members).
- Any member who proposes a name or seconds it must vote for the same person.
- During the election members should refrain from coming in or leaving the meeting.

1) **Term Limits:** No person shall be elected to the same office for more than three consecutive terms. However, Hadrat Khalīfatul-Masīh may waive off this condition in case of Sadr Majlis or Nā’ib Sadr Saf Dom. The Sadr Majlis may waive off this condition in case of other office-bearers.

2) **Character:** The elected person should be regular in congregational prayers, be truthful, honest, and have regard for the institutions of the Siilsila ‘Aliya Ahmadiyya and the Majlis. He should observe the Islāmic Sharia. He should have a beard. In case of an exception it shall be necessary to obtain permission from Sadr Majlis.

3) **Due Status:** In compliance with Rule 22 of Ansār Constitution, he should be a regular dues paying member of the Jamā’at and Majlis Ansārullāh. A regular dues paying member is one who is not in arrears of:
   a. Obligatory dues (‘Ām, Wasiyyat, Jalsa Salana) for more than six months (please check status with the Jamā’at Finance Secretary) and Chanda Jalsa Salana for more than one year, and
   b. Majlis Ansārullāh dues for more than six months and Chanda Salana Ijtema for more than one year

This condition will not apply to those who have taken permission from the appropriate office to pay up the arrears in installments or have been permitted to pay dues at a reduced rate. However, such a person will not be elected to any office or membership of Majlis Shūrā except with prior permission of the Markaz (Center).

4) **Eligibility:** Any member who has paid dues can be elected (including one serving as Nāzim or Qā’id, or a Khadim who turns 40 before the start of his term (January 1) (confirm dues status with Majlis Khuddāmul Ahmadiyya) except:
   a. One who by-passes local Jamā’at and sends dues directly to Center.
   b. One against whom disciplinary action was taken by Jamā’at and three years have not passed since his pardon.
   c. One who misused Jamā’at or Auxiliary funds (until three years after his pardon).
If a person is subjected to disciplinary action two times, he shall never be eligible to hold any office.

5) **Quorum:** for such a meeting will be one-half of all members. If an election meeting is adjourned for lack of quorum, the quorum will be one-third of the eligible voters for the next scheduled meeting.

It is expected that members will not absent themselves from such meetings without genuine reason. To avoid any impression of grouping it is advisable that no member proposes more than one name. Election is held by a show of hands and all eligible voters have to vote.

> “Hadrat Khalifatul-Masih V said that the quorum will include total members of a Majlis as stated in section 29 but Ansār who are in arrears by a year they cannot vote or stand for any office.

> It seems that the above instruction clashes with Section 22 (ii) but Huzur explained that inclusion of non-payer in the quorum provides opportunity to the office bearer as well as to the Ansār to correct the situation by becoming a payer or to remove any clerical error by which one is regarded as a non-payer. By inviting them all will highlight the problems and may help to resolve the problem of non-payer.”

6) **Campaigning:** Any action, which is aimed at influencing opinion in favor of or against an individual, will be considered propaganda. However, it is considered appropriate to say a few words in favor of a person during the election meeting. Adverse remarks against anyone are not permitted.

7) **Approval of results:** The person with highest number of votes does not automatically get “elected”. Complete results of election proceeding shall be submitted to Sadr Majlis (through Qā’id Umumi) by Za‘īm or his representative for approval within one week of election.
Frequently Asked Questions Regarding Elections:

Q1: How many Shūrā Representatives you need to elect?

A1: You need to elect one Shūrā representative for every 20 eligible (Chanda Paying) Ansār members. If Tajnid of a Majlis is between one (1) and twenty (20) then one Shūrā representative should be elected, if Tajnid of a Majlis is 21 to 40 then elect two Shūrā representatives. Please note that Zu’amā are ex-officio members of the Shūrā. The election of the Shūrā representatives is in addition to the Zu’amā.

Q2: Can Za‘īm hold the “Shūrā election”?

A2: Yes, Za‘īm can hold the Shūrā representative election because Za‘īm is ex-officio member of Majlis Shūrā and his name can not be presented as Shūrā representative.

Q3: Can those individuals who are holding a "higher" office (such as Regional Nāzim, or National ‘Āmila members of Majlis Ansārullāh etc.) be proposed for the Shūrā Representative Elections?

A3: No, all regional Nāzimeen and National Ansār ‘Āmila members are ex-officio members of the Majlis Shūrā. However, if there is a Jamā’at National ‘Āmila member in a local Majlis, his name can be proposed as delegate for Majlis Shūrā of Majlis Ansārullāh.

Q4: Who is eligible member for election?

A4: A person who is not in arrears of his dues (Ansār or Jamā’at Chandas) is eligible voter and his name can be proposed for election. Only those who should participate in the election who are eligible to be elected. Only exception to the rule is when someone has obtained permission from Huzur (ayyadahullahu ta’ala binsarihil-‘aziz) for the Jamā’at dues or Sadr Majlis for Ansār dues to pay these at a reduced rate. This person can vote but cannot be elected to any office.

Q5: What are Chanda status requirements as far as Jamā’at and Ansār Chanda is concerned?

A5: Person who is eligible to vote or be elected to any office:
   a) Should NOT be in arrear of Jamā’at Chanda (Aam or Wasiyyat) for more than 6 months and Chanda Jalsa Salana for more than 1 year,
   b) Should NOT be in arrear of Tahrīk Jadid and Waqf Jadīd for more than 3 years,
   c) Should NOT be in arrear of Ansār Chanda for more than 6 months and Chanda Ijtimā‘ for more than 1 year

Q6: Upon enquiring from the Center (headquarters), it was advised that for the Ansār elections Jamā’at Obligatory Chanda ‘Ām paying eligibility is not applicable.

A6: Jamā’at dues (Chanda) are obligatory and it is incorrect to state that “in the Ansār elections Jamā’at Obligatory Chanda ‘Ām paying eligibility is not applicable.” Please see constitution of Majlis Ansārullāh which is approved by Hazrat Khalīfatul Masih. This constitution clearly states...
that anyone who has more than six months arrears in dues of Jamā’at Chanda cannot take part in the elections. Please carefully read Rule 22 on Page 6 & 7 of the constitution of Majlis Ansārullāh, especially Item iii on Page 7. Also see circular Number T-11427 issued by Ch. Hameedullah, Wakīl A’lā, Tahrīk Jadīd Anjuman Ahmadiyya Pakistan, Rabwah dated December 12, 2010.

Q7: Rule 29 of Majlis Ansārullāh constitution states that “The quorum for an election shall be one half of the total members of the Majlis concerned.” Does this mean one half of the total tajnid (membership) or one half of the eligible voters?

A7: Hazrat Khalīfatul Masīh V (ayyadahullahu ta’ala binasrihil-‘aziz) has directed that the quorum will include total members of a Majlis as stated in section 29 but Ansār who are in arrears by a year (for Ansār due) they cannot vote or stand for any office. [Amended to six months in arrears, see response to Question 5].

Huzur pointed out that it seems that above instruction clashes with Section 22 (ii) but Huzur explained that “by inclusion of non-payer(s) in the quorum provides opportunity to the office bearer as well as to the Ansār to correct the situation by becoming a payer or to remove any clerical error by which one is regarded as a non-payer. By inviting all members will highlight the problem and may help to resolve the problem of non-payer.” However, during the second attempt to hold election (if election does not take place, first time, due to lack of quorum), the quorum requirement is 1/3rd of the total chanda paying members.

** FS refers to Friday Sermon by Hadrat Khalifatul-Masih (ayyadahullahu ta‘ala binasrihil-‘aziz) available at [http://alislam.org/archives](http://alislam.org/archives)
Majlis Ansarullah, USA

Hadrat Khalifatul Masih II (may Allah be pleased with him) formed a number of auxiliary organizations to promote the spirit of moral excellence of the members of Ahmadiyya Muslim Community. These organizations were established to provide a specific framework for the ethical and religious education and training of different groups based on age and gender. Majlis Ansārullāh (helpers of Allah) was formed by Hadrat Khalifatul Masih II (may Allah be pleased with him) in 1940, its members comprise all male Ahmadi Muslims over the age of 40.

Hadrat Khalifatul Masih II (may Allah be pleased with him) outlined goals for the auxiliaries in these words (Al-Fazl, October 11, 1944):

“We have to reform the whole world. We have to bring the entire world to bow before God Almighty. Bring the entire world under the fold of Ahmadiyyat. Establish the kingdom of God all over the world. But this grand task cannot be performed until all members of our community – children, youth, or elderly – organize themselves internally and follow this code of conduct day and night ...... For this internal improvement and completion of organization, I have established the auxiliary organizations of Khuddāmul-Ahmadiyya, Ansārullāh, Atfālul-Ahmadiyya and [Lajna Imā‘illah]."
